

## ATAC Meeting Notes

November 21, 2013

### Attendees:

Joshua Klyber, Terry Whitehill, Ron Hays, , Ed Vranizan, Kathy Bash, Nancy Thornburg, Howard Thruston/Eco Guild, David Todd/JRA

### Notes: Ed Vranizan

- Ron Hays will be retiring from the committee effective November 30<sup>th</sup>. His term has expired.
- David Todd of JRA Construction has expressed interest in filling an open ATAC position. He was in attendance.
- David Todd will complete his ATAC application and submit to the Office of Neighborhood Involvement.
- The committee received a new application for a domestic hot water heat pump using a CO2 refrigerant.
  - The committee reviewed in general the issues that surround the application.
  - It was noted that the heat pump is not UL rated.
- Next Meeting: Dec. 5 @ 3:30 pm.
  - Applicant will present the CO2 heat pump application to the committee at that time.

**Action Item:** Questions from the committee to the Applicant are to be formulated and sent to Ed Vranizan/Chair by December 3.

**Action Item:** UL field testing criteria will be researched by Terry Whitehill/BDS for our next meeting by December 3.
