14-254858-000-00-FP	6108 SE STEELE ST, 97206	FP - Final Plat Review		6/2/15		Application

Approval of a Preliminary Plan for a 2 parcel partition that will result in two narrow lots as illustrated with Exhibit C-1, subject to the following conditions:

A. The final plat must show the following:

1.If required, a recording block for each of the legal documents such as maintenance agreement(s), acknowledgement of special land use conditions, or Declarations of Covenants, Conditions, and Restrictions (CC&Rs) as required by Condition B.5 below. The recording block(s) shall, at a minimum, include language substantially similar to the following example: "An Acknowledgement of Special Land Use conditions" as been recorded as document no. _____, Multnomah County Deed Records."

B. The following must occur prior to Final Plat approval:

1.The applicant shall meet the requirements of the Fire Bureau for ensuring adequate hydrant flow from the nearest hydrant. The applicant must provide verification to the Fire Bureau that Appendix B of the Fire Code is met, the exception is used, or provide an approved Fire Code Appeal prior final plat approval.

Existing Development

2.A finalized permit must be obtained for demolition of the existing residence and accessory structures on the site and capping the existing sanitary sewer connection. Note that Title 24 requires a 35-day demolition delay period for most residential structures.

3.The applicant shall meet the requirements of the Site Development Section of BDS for the decommissioning of the septic system on the site.

4. The applicant shall make payment to the Water Bureau for outstanding water bills.

Required Legal Documents

*5.If required, per Conditions B.1 above, the applicant shall execute an Acknowledgement of Special Land Use conditions, requiring new residential development to contain internal fire suppression sprinklers, per Fire Bureau Appeal no *. The acknowledgement shall be recorded with Multnomah County, and referenced on the final plat.*

C.The following conditions are applicable to site preparation and the development of individual lots:

1.The applicant must meet the addressing requirements of the Fire Bureau for Parcels 1 and 2. The location of the sign must be shown on the building permit.

2.If required, the applicant will be required to meet any requirements identified through a Fire Code Appeal/install residential sprinklers in the new dwelling units on Parcels 1 and 2. Please refer to the final plat approval report for details on whether or not this requirement applies

Approval of a Preliminary Plan for a 2-parcel partition that will result in 2 standard lots, as illustrated with Exhibit C.2, subject to the following conditions:

A. Supplemental Plan: Three copies of an additional supplemental plan shall be submitted with the final plat survey for LUS review and approval if construction of the house has commenced. The plan must show the surveyed location of the following:

1. Any buildings or accessory structures on the site at the time of Final Plat application, and any driveways and parking areas.

B. The final plat must show the following:

1. A recording block for each of the legal documents such as the acknowledgement of special land use conditions, as required by Condition C.6 below. The recording block(s) shall, at a minimum, include language substantially similar to the following example: "An Acknowledgement of Special Land Use Conditions for (name of feature) has been recorded as document no. _____, Multnomah County Deed Records."

2. The applicant shall meet the street dedication requirements of the City Engineer for S@ 60th Place. The required dedication must be shown on the final plat.

C. The following must occur prior to Final Plat approval:

Streets

1. The applicant shall meet the requirements of the City Engineer for right-of-way improvements along the site's street frontage. The applicant shall submit an application for a Public Works Permit and provide plans and financial assurances to the satisfaction of the Portland Transportation Bureau.

2. The applicant shall complete street and storm Waivers of Remonstrance (for future street and storm sewer improvements) as required by the City Engineer. Waiver forms and instructions will be provided to the applicant during the final plat review process.

Utilities

3. The applicant must reconcile the differences between the Parcel 2 soakage trench size presented in preliminary land division and the building permit plans to the satisfaction of Bureau of Environmental Services (BES), including approval of any necessary revisions to building permit No. 14-152510-RS.

4. The applicant must complete the construction of the public sewer extension and pay all associated fees under a Simplified Permit to the satisfaction of BES. Alternatively, the applicant must submit engineered plans, a financial guarantee, and fees under a public works permit, subject to BES approval, prior to final plat approval.
