General Fund Support for local Code Enforcement Programs</li> </ol>	<p style="text-align: center;"><b>Land Use Services (LUS)</b></p> <p>\$55,771 in Miscellaneous Services</p> <p>No positions are affected by this cut</p>	<p>BDS is partnering with Portland State University (PSU) to provide selected PSU students opportunity to earn scholarships and stipends while working at BDS, assisting development review planners in the administration of the zoning code. This cut will negatively impact BDS equity and workforce development efforts. However, the bureau is committed to the program, its equity and workforce development goals and the partnership with PSU. If cut is accepted by the City Council, the bureau will explore alternative ways to fund the partnership with PSU.</p>
