**Proposal:**

The applicant seeks Design Review for the replacement of the north and south entrance storefront systems on the Lloyd 700 Building. The proposed north entrance will replicate the existing outswing configuration, but with new clear, insulated glass replacing the existing dark tinted glass. The proposed south entrance will replace the existing outswing doors and metal panel infill with a clear glass revolving door assembly flanked by two new clear glass doors. This new configuration will allow for the expansion of the south lobby entrance to the building. The applicant suggests the proposal will allow for more daylighting of the interior space and a stronger connection to the plaza south of the building.

**Relevant Approval Criteria:**

In order to be approved, this proposal must comply with the approval criteria of Title 33. The relevant criteria are:

- Central City Fundamental Design Guidelines
- Special Design Guidelines for the Design Zone of the Lloyd District of the Central City Plan

This application was submitted on September 7, 2016 and determined to be complete on October 4, 2016.

**DECISION MAKING PROCESS**

The Bureau of Development Services will make a decision on this proposal. We will consider your comments, and

- Approve the proposal.
- Approve the proposal with conditions.

The neighborhood association listed on the first page of this notice may take a position on this application. ORS 227.178 states the City must issue a final decision on Land Use Review applications within 120-days of the application being deemed complete. The 120-day review period may be extended at the request of the applicant.

The file and all evidence on this case are available for your review by appointment only. **APPEAL PROCESS**

If you disagree with the Bureau of Development Services administrative decision, you can appeal the decision to the Design Commission. This review body will hold a public hearing for the appeal. When the decision is mailed, the criteria used to make the decision and information on how to file an appeal will be included. If you do not send any comments, you can still appeal the decision. There is a 14-day deadline to file an appeal beginning on the day the decision is mailed. The reason for the appeal must be specifically defined in order for the review body to respond to the appeal. If an appeal is filed, you will be notified of the time and location of the appeal hearing.

There is a fee charged for appeals. Recognized neighborhood associations may qualify for an appeal fee waiver.

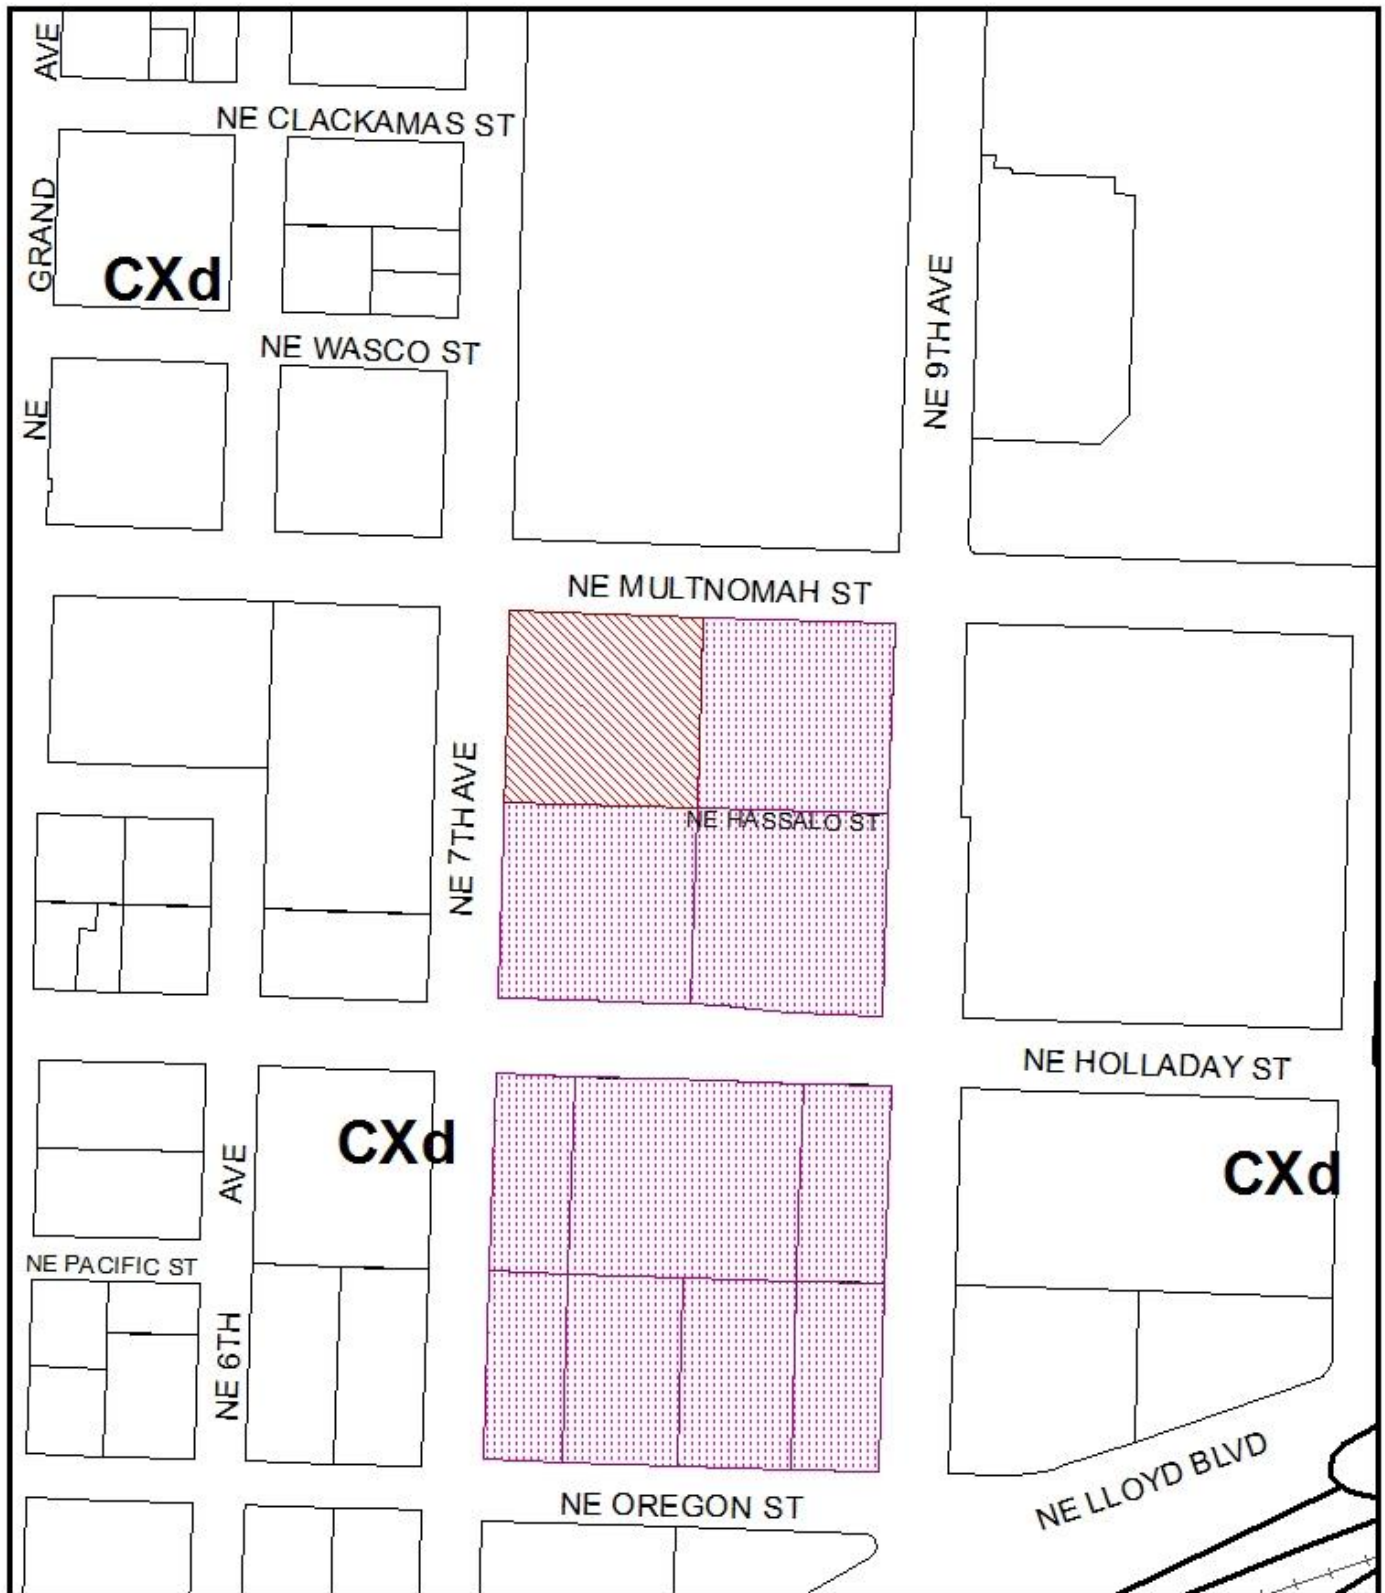

**APPEAL OF THE FINAL CITY DECISION**

After an appeal hearing, the review body decision may be appealed to the Oregon Land Use Board of Appeals (LUBA) at 775 Summer St NE, Suite 330, Salem, Oregon 97301-1283. The phone number for LUBA is 1-503-373-1265. Issues that may provide the basis for an appeal to LUBA must be raised prior to the comment deadline or prior to the conclusion of the hearing if a local appeal is requested. If you do not raise an issue with enough specificity to give the Bureau of Development Services an opportunity to respond to it, that may also preclude an appeal to LUBA on that issue.

**The Bureau of Development Services is committed to providing equal access to information and hearings. Please notify us no less than five business days prior to the event if you need special accommodations. Call 503-823-7300 (TTY 503-823-6868).**
