A. Supplemental Plan. Three copies of an additional supplemental plan shall be submitted with the final plat survey for Land Use Review and BES review and approval. That plan must portray how the conditions of approval listed below are met. In addition, the supplemental plan must show the surveyed location of the following:

- "Any buildings or accessory structures on the site at the time of the final plat application;*
- "Any driveways and off-street vehicle parking areas on the site at the time of the final plat application;*
- "The proposed general location of future building footprints and stormwater facilities for each of the vacant lots.*
- "Any other information specifically noted in the conditions listed below.*

B. The final plat must show the following:

1. A 5-foot wide private sanitary sewer easement, for the benefit of Parcel 1, shall be shown and labeled over the relevant portions of Parcel 2.

2. A recording block for each of the legal documents such as maintenance agreement(s), acknowledgement of special land use conditions, or Declarations of Covenants, Conditions, and Restrictions (CC&Rs) as required by Condition C.3 below. The recording block(s) shall, at a minimum, include language substantially similar to the following example: "A Declaration of Maintenance Agreement for the Private Sewer Easement has been recorded as document no. _____, Multnomah County Deed Records."

C. The following must occur prior to Final Plat approval:

Utilities

1. The applicant shall meet the requirements of the Fire Bureau for ensuring adequate hydrant flow from the nearest hydrant. The applicant must provide verification to the Fire Bureau that Appendix B of the Fire Code is met, the exception is used, or provide an approved Fire Code Appeal prior final plat approval.

Existing Development

2. The applicant must obtain a finalized demolition permit for removing the garage that straddles the proposed property line between Parcels 1 and 2.

Required Legal Documents

3. A Maintenance Agreement shall be executed for the Private Sewer described in Condition B.2 above. The agreement shall include provisions assigning maintenance responsibilities for the easement area and any shared facilities within that area, consistent with the purpose of the easement, additional provisions for a reduced width easement, and all applicable City Code standards. The agreement must be reviewed by the City Attorney and the Bureau of

The agreement must be reviewed by the City Attorney and the Bureau of Development Services, and approved as to form, prior to final plat approval.

Other requirements

4. Prior to final plat approval, a Minor Improvement Permit must be obtained from PBOT for the required closure of the existing curb-cut and driveway along the site's N Blandena frontage.

5. The applicant must pay into the City Tree Preservation and Planting Fund the amount equivalent to 1.5 inches of trees. Payment must be made to the Bureau of Development Services, who administers the fund for the Parks Bureau.

D. The following conditions are applicable to site preparation and the development of individual lots:

1. The applicant must meet the Fire Bureau requirements for addressing and aerial fire department access. Aerial access applies to buildings that exceed 30 feet in height from the fire access as measured to the bottom of the eave of the structure or the top of the parapet for a flat roof.
