Time As

Hi.
 Agenda attached:

Meeting to discuss the following agenda items:

Confirm that regular Intake Process will be available for those permits set up and unable to be issued due to lack of staff from review groups. Intake of the project can occur, intake fees will be collected and plans will be routed for review during the following days.

Language in handouts and documents will identify that certain review groups will not be present during RPN, and that may limit work that can be during Residential Permit Night. Include language that focus will be those projects subject to the 1 & 2 Family Code.

Thoughts on having the roving additional security person on RPN Thursdays?

Need to schedule Enforcement Program visit to Permitting Services and Life Safety Plan Review section meeting to allow for presentation of Tips for Assisting Violation and Compliance Case in the DSC.

Other topics as they arise.
