<p><i>Proposal is for a facade update for an existing two-story building in Central City Downtown plan district. This includes the removal of ground level canopies, storefront windows and the installation of larger storefront openings.the existing SW corner will be filled in with storefront system and salvaged existing rainbow granite cladding. The existing upper level will remain as is, which includes aluminum storefront windows, norman brick cladding and aluminum panels within the storefront system. The proposed exterior work at ground level will include increasing storefront size, relocating entry locations, providing an alternate retail entry and adding new canopies at all entries. Existing cladding will remain but will receive sandblasting and sealant to provide a matte finish to the granite.</i></p>
