*B. The following must occur prior to Final Plat approval:*

**Streets**

*1. The applicant shall meet the requirements of the City Engineer for right of way improvements along the site's street frontage. The applicant shall submit an application for a Public Works Permit and provide plans and financial assurances to the satisfaction of the Portland Bureau of Transportation and the Bureau of Environmental Services for required street frontage improvements.*

**Existing Development**

*2. The applicant must remove the shed on Parcel 2. The applicant must submit before and after photos of the removal (with the same perspective). Prior to removal of these structures, tree protection must be installed in accordance with the approved Tree Preservation Plan, per Condition C.1.*

*3. The applicant shall meet the requirements of the Site Development Section of the Bureau of Development Services for the decommissioning the septic system on the site.*

**Required Legal Documents**

*4. A Maintenance Agreement shall be executed for the Private Sanitary Sewer described in Condition A.3 above. The agreement shall include provisions assigning maintenance responsibilities for the easement area and any shared facilities within that area, consistent with the purpose of the easement, and all applicable City Code standards. The agreement must be reviewed by the City Attorney and the Bureau of Development Services, and approved as to form, prior to final plat approval.*

*5. The applicant shall execute an Acknowledgement of Tree Preservation I and*

5. The applicant shall execute an Acknowledgement of Tree Preservation Land Use Conditions that notes tree preservation requirements that apply to Parcel 2. A copy of the approved Tree Preservation Plan must be included as an Exhibit to the Acknowledgement. The acknowledgment shall be referenced on and recorded with the final plat.

*Other requirements*

6. The applicant must pay into the City Tree Preservation and Planting Fund [Street Trees - Fee in Lieu of Planting and Establishment (per inch)] the amount equivalent to 1.5 inches of trees. Payment must be made to the Bureau of Development Services, who administers the fund for the Parks Bureau.

*The Hearings Officer finds that the Staff Report accurately identifies all of the applicable standards for the application and contains sufficient findings showing the application does or can comply with those standards subject to conditions of approval, based on substantial evidence in the record. The Hearings Officer adopts the affirmative findings in the Staff Report as his own, except to the extent they are inconsistent with the following findings.*

Applicant:  
SARAH RADELET  
STRATA LAND USE PLANNING  
PO BOX 90833  
PORTLAND OR 97290

*The only contested issue in this case is whether the application includes the required signatures. Zoning Code Section 33.730.060.D(1)(a) requires that the application form be signed by the applicant and all property owners. The application form for this subdivision was signed by the applicant, Sarah Radelet, and the property owner Gayle Reeves on behalf of Lot 35 Development, LLC. See Exhibit G-1. At the time the application was filed, Ms. Reeves was either the property owner or an authorized representative of the property owner, Lot 35 Development, LLC. The fact that Ms. Reeves has since passed away, while unfortunate, does not affect the validity of this application. The Hearings Officer finds that the application complies with Zoning Code Section 33.730.060.D(1)(a).*

*Therefore, it is the decision of the Hearings Officer to adopt and incorporate into this decision the facts, findings, and conclusions of Bureau of Development Services in their Staff Report and Recommendation to the Hearings Officer dated August 11, 2017, and approve the preliminary plat for Land Division LU 16-273162 LDS, Exhibits C-1 through C-5, subject to the following conditions:*

*A. The final plat must show the following:*

- 1. The applicant shall meet the street dedication requirements of the City Engineer for SE 145th Court. The required right-of-way dedication must be shown on the final plat.*
- 2. The existing public sanitary sewer easement, granted to the City of Portland, shall be shown over the public storm sewer located on the site to the satisfaction of the Bureau of Environmental Services.*
- 3. A note stating: This plat is subject to the conditions imposed by the City of Portland Land Use Review File No. LU 07-160750 PUD EN and LU 16-273162 LDS.*
- 4. A recording block for each of the legal documents such as maintenance agreement(s), acknowledgement of special land use conditions, or Declarations of Covenants, Conditions, and Restrictions (CC&Rs) as required by Conditions B.2-B.4 below. The recording block(s) shall, at a minimum, include language substantially similar to the following example: "A (name of document) has been recorded as document no. \_\_\_\_\_, Multnomah County Deed Records."*

*B. The following must occur prior to Final Plat approval:*

*Utilities*

1. The applicant shall meet the requirements of the Bureau of Environmental Services (BES) for extending a public storm sewer main in SE 145th Court. The public sewer extension requires a Public Works Permit, which must be at a stage acceptable to BES prior to final plat approval. As part of the Public Works Permit, the applicant must provide engineered designs and performance guarantees for the sewer extension to BES prior to final plat approval. Alternatively, the applicant can construct the storm sewer prior to final plat approval.
