ACCESSORY DWELLING UNITS (ADUs) & THE ZONING CODE - What you need to know

Photo: "accessory dwelling unit" by Radcliffe Dacanay is licensed under CC-BY 2.0

Accessory Dwelling Units (ADUs) are a popular housing option that allows property owners to create a small additional dwelling unit on their property. The zoning code regulates the size, location and development standards for both detached and internal ADUs. Please join our Lunch and Learn presentation to learn how different zoning regulations affect the development of ADUs.

Topics to be discussed:

- What is an ADU?
- Where does the city allow ADUs?
- What development standards apply to ADUs?
- How do different zones affect my ability to construct an ADU?
- Can my ADU be a short-term or long-term rental?
- What resources does the City provide to help answer specific questions?

Friday, Nov. 17, 2017
FREE • Noon - 1 p.m.

Bureau of Development Services at CH2M Center
Lincoln Conference Room (1st Floor)
2020 SW 4th Ave • Portland, OR, 97201

BRING YOUR LUNCH!

REGISTRATION IS NOT REQUIRED

Presented by the Bureau of Development Services.
