Subject Development Directors Meeting

Location 1900 SW 4th Ave, 2nd floor, Room 2500C

Show Time As Busy

Each of our bureaus have staff involved in reviewing applications for building permits, public works permits, land use reviews, etc. This meeting series is to provide a venue to support a more holistic, coordinated approach to this shared review/permitting work. I understand your bureaus also sometimes wear the hat of the applicant for CIP projects, etc. But for these meetings the focus is on your bureau's role as an application reviewer, and how our staff work together to provide permitting services to the community. This will also be a place to resolve conflicts, address systemic bottlenecks, identify priorities and resource needs, and share solutions to make the overall development review and permitting process work better.

This meeting day/time appeared to be the best time where most could attend.

There will be no meeting in November 2017. This series is scheduled for the 1st Tuesday of each month (2:00 to 3:30 pm) from December 5, 2017 through May 1, 2018.
