

# Portland Online Permitting System

Update to the Development Review Advisory Committee  
March 15, 2018

*Printed plans will soon become a thing of the past.*

**ProjectDox**

**Electronic plan review:** POPS will roll out Project Dox by fall 2018 for process-managed commercial permits.

**Amanda upgrade:** CSDC will deliver Amanda 7 in fall 2018 for BDS and IAPs to test.

### TRACS enhancements starting in June through end of year:

Inspector scheduling

Online portal

Inspector app

Contractor app

### Coming soon: new communications plan
