Land use applications within the David Douglas School District boundary for land divisions that will create 11 or more lots (33.655), Planned Developments (33.854.340), and base zone changes (33.855.050) require that the school district verify that enrollment capacity is adequate to serve the proposed development or zone change site.

TO BE COMPLETED BY A SCHOOL DISTRICT REPRESENTATIVE

- The District has adequate enrollment capacity to serve the proposed development or projected increase in student population.

- The District does not have adequate enrollment capacity to serve the proposed development or projected increase in student population. The District has the following additional comments (attach additional pages as needed):
