Asst. Business Systems Analyst

\$4,239.73 - \$6,527.73/mo

Opens June 4, 2018

Closes June 18, 2018

Assistant Business Systems Analyst

\$4,239.73 to
\$6,527.73
PER MONTH

The Assistant Business Systems Analyst with the Bureau of Development Services (BDS) is responsible for partnering with BDS internal customers, external customers and software vendors to clarify business and operational requirements for information technology and systems, including upgrading the citywide permit and case management system from CSDC's AMANDA Systems to the Infor Public Sector IPS system. Duties include coordinating the implementation of software, translating business requirements into system designs and specifications, coordinating the transformation of the specifications into software solutions and testing solutions against user requirements. Additional duties include designing and delivering technology training, and analyzing corrections.
