**Zoning:** R10- Single Dwelling Residential  
**Case Type:** LDP- Land Division Partition  
**Procedure:** Type IIx, an administrative decision with appeal to the Hearings Officer.

**Proposal:**  
The applicant is proposing to divide the subject site into 3 parcels. The site is 29,185 square feet in size. The proposed parcels range in size from 7,558 square feet to 12,550 square feet.

Parcel 3 is proposed to be a flag lot. Parcels 1,2, and 3 will share driveway access via the “pole” portion of Parcel 3. The applicant is proposing that Parcels 1 and 2 be reviewed as “narrow” lots which do not meet the minimum lot width dimension of 50 feet in the R10 zone. Parcels 1 and 2 will be approximately 45 feet in width.

The site is located within the regulatory landslide hazard area. The applicant is proposing to preserve a 37-inch Douglas fir tree on Parcel 2 to meet tree preservation requirements. The applicant is required to provide transportation improvements along the frontage of SW Boones Ferry Road. Improvements include a 5-foot dedication of property to the public right-of-way and sidewalk improvements along site frontage.

This partition proposal is reviewed through a Type IIX procedure because: (1) the site is in a residential zone; (2) two or three lots are proposed; and (3) the site is located within a Potential Landslide Hazard or Flood Hazard Area (see 33.660.110).

For purposes of State Law, this land division is considered a partition. To partition land is to divide an area or tract of land into two or three parcels within a calendar year (See ORS 92.010). ORS 92.010 defines “parcel” as a single unit of land created by a partition of land. The applicant’s proposal is to create 3 units of land. Therefore, this land division is considered a partition.

**Relevant Approval Criteria:** In order to be approved, this proposal must comply with the approval criteria of Title 33. The relevant criteria are found in **Section 33.660.120, Approval Criteria for Land Divisions in Open Space and Residential Zones.**

Zoning Code Section 33.700.080 states that Land Use Review applications are reviewed under the regulations in effect at the time the application was submitted, provided that the application is complete at the time of submittal, or complete within 180 days. This application was submitted on August 10, 2018 and determined to be complete on November 13, 2018.

#### **DECISION MAKING PROCESS**

The Bureau of Development Services will make a decision on this proposal. After we consider your comments we will do one of the following:

- Approve the proposal.
- Approve the proposal with conditions; or
- Deny the proposal.

The neighborhood association listed on the first page of this notice may take a position on this application. They may also schedule an open meeting prior to making their recommendation to the Bureau of Development Services. Please contact the person listed as the neighborhood contact to determine the time and date of this meeting.

ORS 227.178 states the City must issue a final decision on Land Use Review applications within 120-days of the application being deemed complete. The 120-day review period may be extended at the request of the applicant.

#### **APPEAL PROCESS**

If you disagree with the Bureau of Development Services administrative decision, you can appeal the decision to the Hearings Officer. This review body will hold a public hearing for the appeal. When the decision is mailed, the criteria used to make the decision and information on how to file an appeal will be included. If you do not send any comments, you can still appeal the decision. There is a 14-day deadline to file an appeal beginning on the day the decision is mailed. The reason for the appeal must be specifically defined in order for the review body to respond to the appeal. If an appeal is filed, you will be notified of the time and location of the appeal hearing.

There is a fee charged for appeals. Recognized neighborhood associations may qualify for an appeal fee waiver.

#### **APPEAL OF THE FINAL CITY DECISION**

After an appeal hearing, the review body decision may be appealed to the Oregon Land Use Board of Appeals (LUBA) at 775 Summer St NE, Suite 330, Salem, OR 97301-1283. The phone number for LUBA is 1-503-373-1265. Issues that may provide the basis for an appeal to LUBA must be raised prior to the comment deadline or prior to the conclusion of the hearing if a local appeal is requested. If you do not raise an issue with enough specificity to give the Bureau of Development Services an opportunity to respond to it, that may also preclude an appeal to LUBA on that issue.

**The Bureau of Development Services is committed to providing equal access to information and hearings. Please notify us no less than five business days prior to the event if you need special accommodations. Call 503-823-7300 (TTY 503-823-6868).**
