Proposal:

The applicant seeks Historic Resource Review to replace three existing antennas with new antennas in the same locations; to replace one existing shroud with a larger shroud; to add three new remote radio units, and to add one equipment cabinet to the rooftop and parapet of the John Deer Building. Built in 1911, the John Deere Building is a well-preserved example of the early warehouses integral to this district and Portland’s development as a regional center. On March 8, 1989, the John Deere Building was added to the National Register of Historic Places.

Historic Resource Review is required because the property is a Portland Historic Landmark and non-exempt alterations are proposed.

In order to be approved, this proposal must comply with the approval criteria of Title 33, Portland Zoning Code. The relevant approval criteria are:

- Central City Fundamental Design Guidelines
- *33.846.060.G Other Approval Criteria*

This application was submitted on November 15, 2018 and determined to be complete on December 28, 2018.

APPEAL PROCESS

If you disagree with the Bureau of Development Services administrative decision, you can appeal the decision to the Oregon Land Use Board of Appeals (LUBA) at 775 Summer St NE, Suite 330, Salem OR 97301-1283. The phone number for LUBA is 1-503-373-1265. Issues which may provide the basis for an appeal to LUBA must be raised in writing before the deadline for comments, or you may not be able to raise that issue in an appeal. If you do not raise an issue with enough specificity to give the Bureau of Development Services an opportunity to respond to it, that also may preclude an appeal to LUBA on that issue.

The Bureau of Development Services is committed to providing equal access to information and hearings. Please notify us no less than five business days prior to the event if you need special accommodations. Call 503-823-7300 (TTY 503-823-6868).
