Zoning: R5-Residential 5,000 with an "a"-Alternative Design overlay
Case Type: LDP -Land Division Partition

Procedure: Type Ix, an administrative decision with appeal to the Oregon Land Use Board of Appeals (LUBA).

Proposal: The applicant is proposing to divide the existing 12,526 square foot lot into two parcels. Parcel 1 would be 7,482 s.f. in area and retain the existing house. Parcel 2 would be 4,394 s.f. in area for future development of a single-family house. The applicant's preliminary site and utility plan shows how services (sanitary, stormwater, water) will be provided for each lot. An arborist report has been submitted and the applicant is proposing to preserve the Magnolia(#95) and the Pacific Madrone(#94) at the front of the Parcel. Portland Bureau of Transportation(PBOT) is requiring a 6.5 ft. street dedication along this site's frontage with reconstruction of the pedestrian corridor to be 11-ft.

This partition is reviewed through a Type Ix land use review because: (1) the site is in a residential zone; (2) fewer than four lots are proposed; (3) none of the lots, utilities, or services are proposed within a Potential Landslide Hazard or Flood Hazard Area, and; (4) no other concurrent land use reviews (such as an Adjustment, Design Review, or Environmental Review) are requested or required (see 33.660.110).

For purposes of State Law, this land division is considered a partition. To partition land is to divide an area or tract of land into two or three parcels within a calendar year (See ORS 92.010). ORS 92.010 defines "parcel" as a single unit of land created by a partition of land. The applicant's proposal is to create two units of land (two parcels). Therefore, this land division is considered a partition.

Zoning Code Section 33.700.080 states that Land Use Review applications are reviewed under the regulations in effect at the time the application was submitted, provided that the application is complete at the time of submittal, or complete within 180 days. This application was submitted on November 27, 2018 and determined to be complete on March 6, 2019

APPEAL PROCESS

If you disagree with the Bureau of Development Services administrative decision, you can appeal the decision to the Oregon Land Use Board of Appeals (LUBA) at 775 Summer St NE, Suite 330, Salem OR 97301-1283. The phone number for LUBA is 1-503-373-1265. Issues which may provide the basis for an appeal to LUBA must be raised in writing before the deadline for comments, or you may not be able to raise that issue in an appeal. If you do not raise an issue with enough specificity to give the Bureau of Development Services an opportunity to respond to it, that also may preclude an appeal to LUBA on that issue.

The Bureau of Development Services is committed to providing equal access to information and hearings. Please notify us no less than five business days prior to the event if you need special accommodations. Call 503-823-7300 (TTY 503-823-6868).
