

CHAPTER 24.71 OTHER STRUCTURES

(Chapter added by Ordinance No. XXXX,
effective XXXXX)

- A.** Notwithstanding Oregon Revised Statute 455.020(1) and the exemptions in Section 105 of the Oregon Structural Specialty Code and Section R105 of the Oregon Residential Specialty Code, the provisions of this chapter shall apply to tanks, vessels, bins, hoppers, chimneys, stacks, signs, billboards, radio frequency installations, towers, poles, fences over 7 feet in height and bridges.
- B.** Structures described in subsection A. of this chapter shall be designed in accordance with the requirements of the 2018 International Building Code.
- C.** Notwithstanding subsection B. of this chapter, earthquake, wind, and snow loads shall be determined in accordance with ASCE 7 as amended by the Oregon Structural Specialty Code.
- D.** Notwithstanding subsection B. of this chapter, load combinations shall be in accordance with Oregon Structural Specialty Code.
- E.** Retaining walls are addressed in Chapter 24.70, Clearing, Grading and Retaining Walls.
