Case Type: **HR**, Historic Resource Review
Procedure: **Type II**, an administrative decision with appeal to the Landmarks Commission.

Proposal:

The applicant seeks approval for exterior alterations to the front porch of a contributing resource in the Irvington Historical District. Originally known as the Marie C. Wright House, the residence was built in 1892 in the Queen Anne style.

This review is for the non-approved replacement of front porch woodwork: columns, newel posts, balustrades and stairs. Original ornate woodwork was replaced with simplified wood elements without review. This new proposal is to replace the existing non-approved columns, newel posts and balustrades with woodwork more in keeping with the ornate Queen Ann style of the house.

Historic Resource Review is required because the proposal is for non-exempt exterior alterations to an existing structure within a Historic District.

Relevant Approval Criteria:

In order to be approved, this proposal must comply with the approval criteria of Title 33. The relevant criteria are:

- 33.846, Historic Resource Reviews
- 33.846.060.G, Other Approval Criteria

Zoning Code Section 33.700.080 states that Land Use Review applications are reviewed under the regulations in effect at the time the application was submitted, provided that the application is complete at the time of submittal, or complete within 180 days. This application was submitted on April 16, 2019 and determined to be complete on **May 13, 2019**.

DECISION MAKING PROCESS

The Bureau of Development Services will make a decision on this proposal. After we consider your comments we will do one of the following:

- Approve the proposal;
- Approve the proposal with conditions; or
- Deny the proposal.

The neighborhood association listed on the first page of this notice may take a position on this application. They may also schedule an open meeting prior to making their recommendation to the Bureau of Development Services. Please contact the person listed as the neighborhood contact to determine the time and date of this meeting.

ORS 227.178 states the City must issue a final decision on Land Use Review applications within 120-days of the application being deemed complete. The 120-day review period may be extended at the request of the applicant.

APPEAL PROCESS

If you disagree with the Bureau of Development Services administrative decision, you can appeal the decision to the Landmarks Commission. This review body will hold a public hearing for the appeal. When the decision is mailed, the criteria used to make the decision and information on how to file an appeal will be included. If you do not send any comments, you can still appeal the decision. There is a 14-day deadline to file an appeal beginning on the day the decision is mailed. The reason for the appeal must be specifically defined in order for the review body to respond to the appeal. If an appeal is filed, you will be notified of the time and location of the appeal hearing.

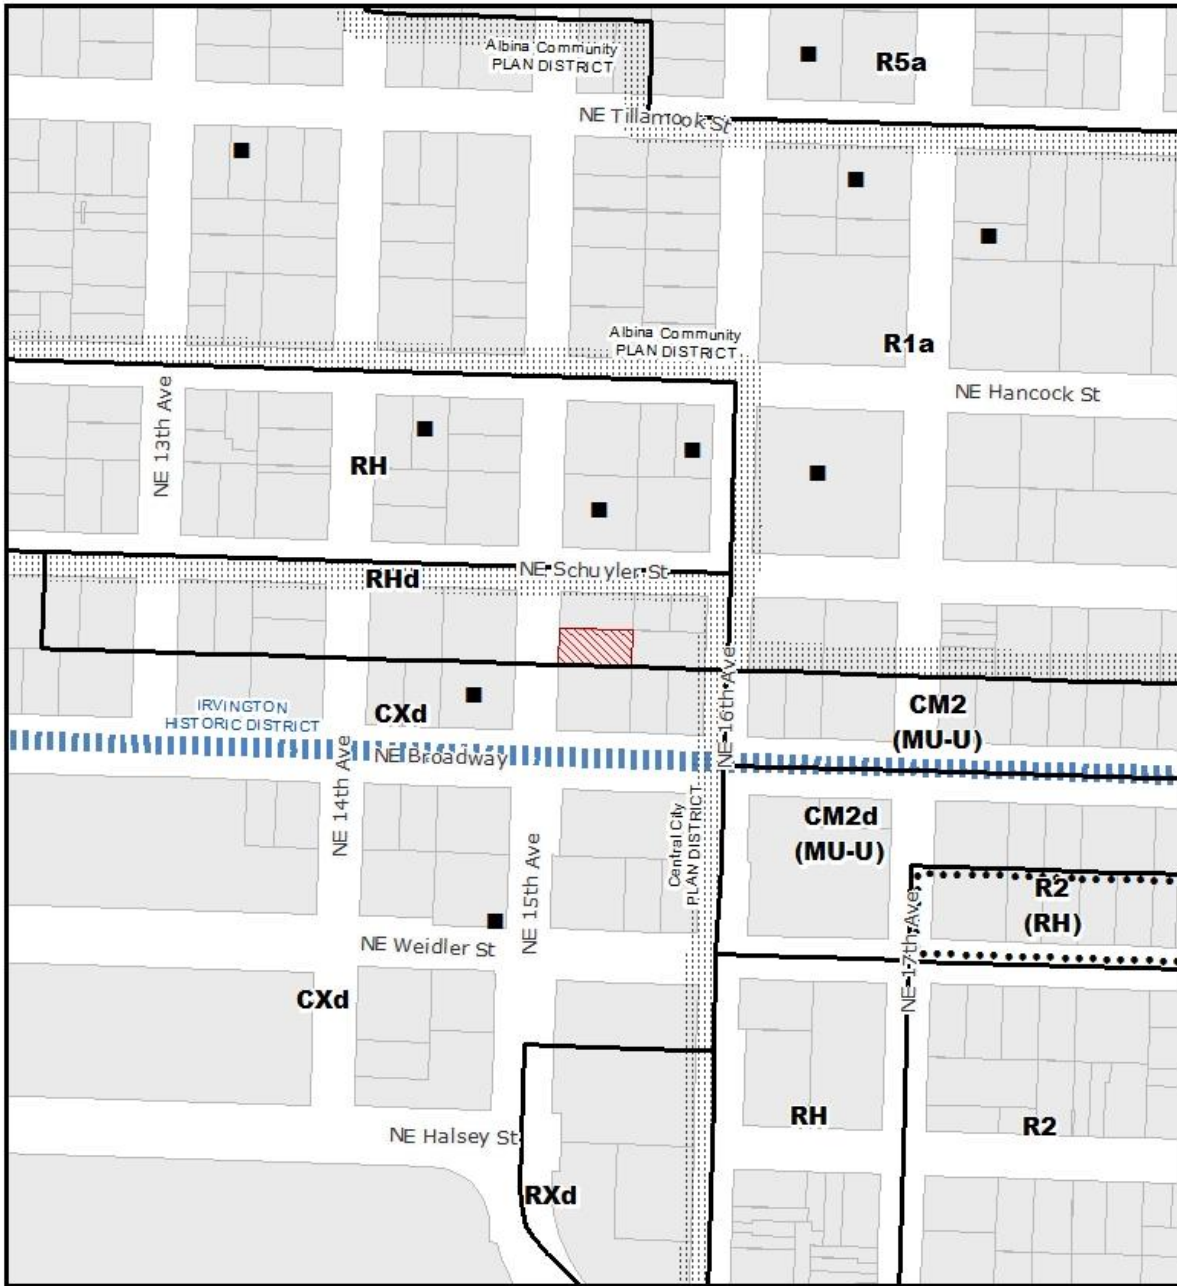

There is a fee charged for appeals. Recognized neighborhood associations may qualify for an appeal fee waiver.

APPEAL OF THE FINAL CITY DECISION

After an appeal hearing, the review body decision may be appealed to the Oregon Land Use Board of Appeals (LUBA) at 775 Summer St NE, Suite 330, Salem, Oregon 97301-1283. The phone number for LUBA is 1-503-373-1265. Issues that may provide the basis for an appeal to LUBA must be raised prior to the comment deadline or prior to the conclusion of the hearing if a local appeal is requested. If you do not raise an issue with enough specificity to give the Bureau of Development Services an opportunity to respond to it, that may also preclude an appeal to LUBA on that issue.

The Bureau of Development Services is committed to providing equal access to information and hearings. Please notify us no less than five business days prior to the event if you need special accommodations. Call 503-823-7300 (TTY 503-823-6868).
