Zoning: R5 – Residential 5,000 with Historic Resource Protection Overlay

Case Type: HR – Historic Resource Review
Procedure: Type II – an administrative decision with appeal to the Landmarks Commission.

Proposal:

The applicants request Historic Resource Review to replace the roof on the historic landmark Barnhart – Wright House, which is also a contributing resource in the Irvington Historic District, and replacing the roof on the detached garage, which is also a contributing resource to both the landmark and in the historic district. The applicants indicate that the existing roofs, which are comprised of diamond-shaped asbestos shingles, are failing and in need of major repair. Since asbestos shingles cannot be replaced, the applicants propose replacing the asbestos shingles with similarly-shaped asphalt shingles (GAF brand, Sienna model). The applicants also propose replacing the existing roof membrane on a low-sloped portion of the roof with a new roof membrane.

Historic Resource Review is required for proposed non-exempt exterior alterations to historic landmark structures.

APPEAL PROCESS

If you disagree with the Bureau of Development Services administrative decision, you can appeal the decision to the Landmarks Commission. This review body will hold a public hearing for the appeal. When the decision is mailed, the criteria used to make the decision and information on how to file an appeal will be included. If you do not send any comments, you can still appeal the decision. There is a 14-day deadline to file an appeal beginning on the day the decision is mailed. The reason for the appeal must be specifically defined in order for the review body to respond to the appeal. If an appeal is filed, you will be notified of the time and location of the appeal hearing.

There is a fee charged for appeals. Recognized neighborhood associations may qualify for an appeal fee waiver.

APPEAL OF THE FINAL CITY DECISION

After an appeal hearing, the review body decision may be appealed to the Oregon Land Use Board of Appeals (LUBA) at 775 Summer St NE, Suite 330, Salem, Oregon 97301-1283. The phone number for LUBA is 1-503-373-1265. Issues that may provide the basis for an appeal to LUBA must be raised prior to the comment deadline or prior to the conclusion of the hearing if a local appeal is requested. If you do not raise an issue with enough specificity to give the Bureau of Development Services an opportunity to respond to it, that may also preclude an appeal to LUBA on that issue.

The Bureau of Development Services is committed to providing equal access to information and hearings. Please notify us no less than five business days prior to the event if you need special accommodations. Call 503-823-7300 (TTY 503-823-6868).
