

The Development Services Center & 2nd Floor Counter will be closed for 6 business days in February

On February 10, 2020, we will start using a new version of AMANDA, a flexible and modern permitting platform. **Starting Wednesday, Feb. 5 at 3 p.m., customers will not be able to access development services (neither in-person nor online) including Development Hub PDX, Inspection scheduling (with the IVR system), and all other Permitting and Inspections services.** We will resume regular hours and services on Monday, Feb. 10.

We appreciate your patience as we begin using upgraded software!
