<i>SINGLE PDF - ZP TO INSTALL TREE PROTECTION, INSTALL MITIGATION PLANTINGS, CONSTRUCT GRAVEL DRIVEWAY, AND REMOVE EXISTING PAVEMENT IN ACCORDANCE WITH 19-257182-LU An Environmental Review is also triggered, since the proposal does not meet several of the Environmental Standards for Land Divisions, which address maximum disturbance in the resource area (33.430.160.D) and the maximum front building setback (33.430.160.G/33.430.140.O). This partition proposal is reviewed through a Type III procedure because it is a Land Division with a concurrent Environmental Review (33.660.110.A). For purposes of State Law, this land division is considered a partition. To partition land is to divide an area or tract of land into two or three parcels within a calendar year (See ORS 92.010). ORS 92.010 defines "parcel" as a single unit of land created by a partition of land. The applicant's proposal is to create 3 units of land (2 parcels and 1 tract). Therefore, this land division is considered a partition.</i>
