Anchorage for odor control vessel anchorage as well as the anchorage for ductwork connecting to the odor control system. Note, this permit is for DFS work, but was set up as a stand alone permit due to set up error to the REV (20-147119-REV-01-CO) that it is associated with. That REV should have been a CO permit. Note that the concrete pad for the odor control system associated with the permit has been approved under 20-147119-REV-01-CO and mechanical components of this system are under permit 21-022372-000-00-MT. Slab approved under permit 21-147119-REV-01-CO.
