Case Type: AD (Adjustment Review)
Procedure: Type II, an administrative decision with appeal to the Adjustment Committee

Proposal:

The applicant is proposing to construct a 12-foot by 10-foot detached shed with a 4-foot by 10-foot covered area near the east corner of the lot. The Portland Zoning Code requires that structures in this zone be set back a minimum of 10 feet from rear lot lines (Section 33.110.220). The structure is proposed to be located 2 feet from the rear (southeast) lot line. An Adjustment is therefore requested to reduce the minimum rear building setback from 10 feet to 2 feet for a 120 square foot shed.

Relevant Approval Criteria:

Adjustment requests will be approved if the review body finds that the applicant has shown that approval criteria A. through F. of Section 33.805.040, Adjustment Approval Criteria, have been met.

33.805.040 Approval Criteria

- A.** Granting the adjustment will equally or better meet the purpose of the regulation to be modified; and
- B.** If in a residential, CI1, or IR zone, the proposal will not significantly detract from the livability or appearance of the residential area, or if in an OS, C, E, I, or CI2 zone, the proposal will be consistent with the classifications of the adjacent streets and the desired character of the area; and
- C.** If more than one adjustment is being requested, the cumulative effect of the adjustments results in a project which is still consistent with the overall purpose of the zone (*not applicable*); and
- D.** City-designated scenic resources and historic resources are preserved (*not applicable*); and
- E.** Any impacts resulting from the adjustment are mitigated to the extent practical; and
- F.** If in an environmental zone, the proposal has as few significant detrimental environmental impacts on the resource and resource values as is practicable (*not applicable*)

Zoning Code Section 33.700.080 states that Land Use Review applications are reviewed under the regulations in effect at the time the application was submitted, provided that the application is complete at the time of submittal, or complete within 180 days. This application was submitted on October 6, 2021 and determined to be complete on January 7, 2022.

APPEAL PROCESS

If you disagree with the Bureau of Development Services administrative decision, you can appeal the decision to the Adjustment Committee. This review body will hold a public hearing for the appeal. When the decision is mailed, the criteria used to make the decision and information on how to file an appeal will be included. If you do not send any comments, you can still appeal the decision. There is a 14-day deadline to file an appeal beginning on the day the decision is mailed. The reason for the appeal must be specifically defined in order for the review body to respond to the appeal. If an appeal is filed, you will be notified of the time and location of the appeal hearing.

There is a fee charged for appeals. Recognized neighborhood associations may qualify for an appeal fee waiver.

APPEAL OF THE FINAL CITY DECISION

After an appeal hearing, the review body decision may be appealed to the Oregon Land Use Board of Appeals (LUBA) at 775 Summer St NE, Suite 330, Salem, Oregon 97301-1283. The phone number for LUBA is 1-503-373-1265. Issues that may provide the basis for an appeal to LUBA must be raised prior to the comment deadline or prior to the conclusion of the hearing if a local appeal is requested. If you do not raise an issue with enough specificity to give the Bureau of Development Services an opportunity to respond to it, that may also preclude an appeal to LUBA on that issue.

The Bureau of Development Services is committed to providing equal access to information and hearings. Please notify us no less than five business days prior to the event if you need special accommodations. Call 503-823-7300 (TTY 503-823-6868).
