

When you see pollution, report it. The Environmental Services Spill Protection Citizen Response team is available 24 hours a day to investigate spills, slicks and suspicious discharges.

How To Report A Spill
Call 503-823-7180 and leave a detailed message. A duty officer monitors messages 24 hours a day.

You may also contact us by email at officer@bes.ci.portland.or.us to report pollution that may threaten rivers and streams.

What We Do

Spill Protection-Citizen Response staff respond immediately to emergency spills and investigate pollution complaints. We investigate reports of stormwater pollution, problems in the sewage collection system, monitor sewage cleanups, and help keep rivers and streams clean.
