**urban habitat species**

**wildlife of portland**

Portland is home to over 300 species of fish and wildlife, and untold numbers of invertebrates. That's an amazing amount of wildlife for an urban area, and it's a testament to the city's diversity of habitats and the commitment of Portland's citizens to protect natural resources. Your actions can make a difference in protecting our wildlife and watersheds.

## wildlife of portland

Portland is home to over 300 species of fish and wildlife, and untold numbers of invertebrates. That's an amazing amount of wildlife for an urban area. Your actions can make a difference in protecting our wildlife and watershed health.

### Help Wildlife and Watersheds

**Your actions make a difference**

- 1. Remove litter, such as cigarette butts and coffee filters, from your yard, car, and neighborhood.
- 2. Avoid a water-leaking faucet or pipe.
- 3. Identify and control invasive plants.
- 4. Stop your dog from digging, urinating, and defecating in the yard, park, or on the street.
- 5. Avoid using pesticides and herbicides.
- 6. Avoid using fertilizers.
- 7. Avoid using lawn mowers and trimmers.
- 8. Avoid using pesticides and herbicides.
- 9. Avoid using fertilizers.
- 10. Avoid using lawn mowers and trimmers.
