## Program Requirements and Regulations

1. The discount is limited to 35% of the basic stormwater rate.
2. The discount is based on controlling the runoff from roof areas, including houses, garages, carports and other storage or utility buildings on the property.
3. The discount is granted to the active ratepayer for the property described on the registration form.
4. The ratepayer must not have a delinquent city utility account, or must be honoring a payment agreement to eliminate any delinquencies.
5. The registration form must accurately describe the property and methods for managing stormwater runoff.
6. Stormwater facilities must be properly maintained and operating effectively. They must not threaten or cause harm to the subject property, neighboring property, city facilities, or the environment.
7. The city must be granted access to the property to conduct announced inspections of stormwater management facilities. The city arranges inspections at times that are mutually acceptable to all parties.
8. The discount remains in effect through June 2017. To maintain the discount, the utility account must remain active, the stormwater management facilities must be properly maintained and operated, and the city must be granted access to the property to conduct limited inspections of stormwater facilities.
9. The city may impose civil penalties, reverse granted discounts and credits, and revoke future discounts in response to the filing of a fraudulent registration.

## Low Income Assistance Program For Utility Ratepayers

The city offers financial assistance to qualified ratepayers. The assistance adds up to as much as \$23.59 per month or \$70.77 for every quarterly utility bill. In addition, eligible ratepayers may receive crisis assistance up to \$150.00 per year, and help with repairing leaky pipes and fixtures. Check off the box on this Clean River Rewards registration form and the city will contact you with additional information, or follow the Low Income Assistance link at [www.CleanRiverRewards.com](http://www.CleanRiverRewards.com).

## Earned Income Tax Credits

Eligible low income working families can receive earned income tax credits when filing federal and state tax returns. Portland is working with CASH Oregon (Creating Assets, Savings and Hope) to make sure that every eligible family receives these important financial benefits. From January through April, visit the CASH Oregon tax preparation office at Lloyd Center to get help completing your tax filing. While you are there, we will provide information about the city's Low Income Assistance Program and Clean River Rewards. Check off the box on this Clean River Rewards registration form and the city will contact you with additional information, or follow the Earned Income Tax Credit link at [www.CleanRiverRewards.com](http://www.CleanRiverRewards.com).
