MANUFACTURED STORMWATER TREATMENT TECHNOLOGY APPLICATION FORM

Applicants applying for approval of manufactured stormwater treatment technologies must meet the submission guidelines and evaluation requirements in Section 2.4.8 of the *Stormwater Management Manual*. The Bureau of Environmental Services (BES) requires that a manufactured stormwater treatment technology has a general use level designation through the Washington State Department of Ecology Technology Assessment Program.

Applicants requesting review of a **new application** must submit all of the required application materials in order for their application to be considered complete. Applicants must submit one set of digital files of all required items and data.

Applicants requesting **renewal of an existing approval** should complete this form and submit to BES, but do not need to re-submit materials or the application fee.

(for Environmental Services use only)
