

Greens Keeper

FLSA Status: Covered
Bargaining Unit: Portland City Laborers 483 (PCL)

General Summary

Positions in this broad class care for and maintain golf courses and greens, and perform a variety of related duties including equipment and facility maintenance and repair.

Greens Keeper I - 30000085

Distinguishing Characteristics

The entry level of this class typically operates mowers, applies fertilizers and pesticides, maintains golf course grounds and facilities and prepares the golf course for daily play and tournaments. It is distinguished from the Utility Worker I class by its specialized focus on precision mowing and turf care on golf courses as distinguished from general mowing in diverse terrain, often with traffic exposures.

Typical Duties/Examples of Work

1. Operates a variety of precision mowers and related turf equipment in caring for golf courses, including loaders and trenchers.
2. Applies fertilizers and pesticides.
3. Cares for plants through watering, weeding, and trimming.
4. Performs cleaning and maintenance of golf course grounds and facilities.
5. Grooms turf on all areas of golf course; sets up golf course according to USGA guidelines for playability and difficulty for tournament play, club play or daily user play.
6. Irrigates turf as necessary; repairs damaged or malfunctioning irrigation lines, valves and sprinklers.
7. Performs minor maintenance on equipment as needed.
8. Answers inquiries from golfing public regarding course maintenance, and basic etiquette and rules of golf.
9. Performs related duties as assigned.

Required Knowledge, Skills and Abilities

Knowledge of: turf maintenance techniques on golf courses, including precision mowing and greens keeping; grounds and facilities maintenance techniques, including minor repair of equipment and appurtenances; landscape maintenance; irrigation systems; safe pesticide application techniques; basic rules and etiquette of golf

Ability to: communicate effectively; establish and maintain effective working relationships with co-workers and a diversity of others; work constructively in a team; oversee and direct the work of temporary or seasonal workers

Skill in: safe and effective application and operation of tools and equipment of turf maintenance, landscaping and maintenance; pesticide application

Special Requirements

Valid state driver’s license; pesticide applicator license

Classification History:

Adopted: 2-03-99:

Class created as a result of DCTU Classification and Compensation Study 1998-99. This class is composed of the following classes:

1220 Greens Keeper I Adopted: 04-17-79

Revised: 02-26-09 Updated title of comparison class under Distinguishing Characteristics
