

June Bureau of Human Resources Dashboard – Public Safety Summary

The Bureau of Human Resources Dashboard is an interactive data visualization that allows exploration of key metrics related to recruitment and retention. This tool is updated monthly to depict the prior months' performance measures.

The data presented in this summary is aggregated for the Public Safety bureaus (Portland Police Bureau, Portland Fire & Rescue, Fire & Police Disability & Retirement, and the Bureau of Emergency Communication).

The data are cumulative for the FY19 fiscal year to date, from July 1, 2018 to June 30, 2019.

Recruitment Timeline Metrics – Time to Fill and Time to Post

Time to Fill is the length of time between the date a requisition is received by the Bureau of Human Resources to the date a verbal offer is extended to the selected candidate.

The average Time to Fill for recruitments for June was 147 days. The average Time to Fill for recruitments for the current fiscal year to date is 174 days.

Time to Post is the length of time between the date a requisition is received by the Bureau of Human Resources to the date that the job is posted and can begin accepting applications. Some recruitments are for only one bureau, while others require coordination among multiple bureaus.

The average Time to Post for June was 7 business days. The average for the current fiscal year to date is 6 business days.

The Time to Post for single-bureau recruitments for June was 7 business days. The average for the current fiscal year to date for single-bureau recruitments is 6 business days.

Recruitment Timeline Metrics – Closing to List and Referral to Offer

Closing to List is the number of business days from the date a recruitment closes to the date when the list of eligible candidates is produced. The final step of the recruitment process varies among recruitments. For some recruitments, the final step is a BHR review, where applications are reviewed by staff in the Bureau of Human Resources; some recruitments have an SME review, where applications are reviewed by subject matter experts in the hiring bureau; and some recruitments have some form of testing as the final step to determine which candidates meet the minimum qualifications and make the eligible list.

The average Closing to List for in June was 10 business days. The average Closing to List for the current fiscal year to date is 15 business days.

For recruitments whose final step was a BHR review, the average Closing to List for June was 13 business days. For recruitments whose final step was an SME review, the average Closing to List for June was 14 business days. For recruitments whose final step was testing, the average Closing to List for June was 4 business days. The average for the current fiscal year to date for recruitments whose final step was a BHR review was 8 business days.

Referral to Offer is the length of time from the date a list of eligible candidates is referred to the hiring bureau to the date when a verbal offer is made to the selected candidate.

The average Referral to Offer for June was 115 days. The average Referral to Offer for the current fiscal year to date is 95 days.
