#WE ARE PORTLAND
WELCOME TO THE CITY OF PORTLAND!

We are excited that you are considering a career with the City and we are excited to explore your and our mutual interest in advancing and enhancing our City! Many people don’t understand just how much the City of Portland does, and how many services the City offers. For instance, did you know:

1. The City is responsible for more than 200 parks and natural areas and has a summertime workforce of almost 3,000 housed in Portland Parks & Recreation. Throughout the summer we offer hundreds of summer programs for kids and youth.
2. The transportation bureau doesn’t just maintain streets, it is also responsible for trimming roadside trees and shrubs and for installing and maintaining street lights and traffic signals.
3. The City issues approximately 1,000 building permits and other development-related permits per month, with just over half of those permits issued the same day the application is received. Permitted projects range in scale from a small kitchen remodel to high-rise office towers.
4. There are more than 6,000 employees that make up the 26 bureaus that provide emergency services and infrastructure support to the entire City! And these are only a few of the amazing things we do to keep the City moving forward. Our workforce is the engine behind all that we do at the City of Portland. As the City’s population continues to expand, so does our need to create faster processes and adopt innovative technologies to meet the demands of our growing community; these efforts require strong leadership.

The City is working to merge business principles into government practices. We view the community as our customers and are making systems changes to meet customer needs. We are exploring best practices to make our workforce and workplace a model today and in the future.

We look forward to exploring with you the boundless possibilities at the City of Portland.

Again, Welcome.

Public Transit

Buses
TriMet buses serve the Portland metro area, and many bus lines connect with MAX Light Rail, WES Commuter Rail and the Portland Streetcar. Hours of operation vary. During the weekday morning and afternoon rush hour, "Frequent Service" buses run about every 15 minutes.

MAX Light Rail
TriMet’s MAX (Metropolitan Area Express) Light Rail connects downtown Portland with Beaverton, Clackamas, Gresham, Hillsboro, North/Northeast Portland and the Portland International Airport.

Trains run every 15 minutes or better most of the day, every day. Service is less frequent in the early morning, mid-day and evening.

Portland Streetcar
The Portland Streetcar connects Northwest Portland, the Pearl District, Portland City Center, PSU, RiverPlace and the South Waterfront District. Hours of operation vary, but streetcars run about every 13 minutes during the day (less frequently in the evening and on weekends). The Streetcar is owned and operated by the City of Portland, but is integrated with TriMet service.

WES Commuter Rail
TriMet’s WES (short for Westside Express Service) is a commuter rail line serving Beaverton, Tigard, Tualatin and Wilsonville. WES runs every 30 minutes during the weekday morning and afternoon rush hour.
