COORDINATOR III

\$30.45 - \$50.66 hourly
\$2,436.00 - \$4,052.80 biweekly
\$63,336 - \$105,373 annually

CLASS CODE: 30003029

EFFECTIVE: December 13, 2018

CLASSIFICATION SUMMARY

Reports to a Coordinator IV, Supervisor, Manager, or other supervisory- or management-level position. Under minimal supervision, performs a variety of professional duties, including planning, organizing, evaluating programs and functions, and collaborating with internal and external stakeholders.

Responsibilities include: serving as a liaison to the public, other organizational units, and/or outside governmental agencies; developing partnerships with internal and external stakeholders to advance the goals of the unit; implementing and coordinating participation with vendors, agencies, and organizations; leading staff and collaborative groups within the assigned program, project, or function; working with stakeholders and other Bureaus/Offices to develop strategies and approaches for complex or technical programs and projects; developing and disseminating information; implementing elements of a specialized Bureau/Office program.

DISTINGUISHING CHARACTERISTICS

Coordinator III is the third of four classifications within the Coordinator series.

Coordinator III is distinguished from Coordinator II in that the former has more discretion for ensuring program or project implementation, may supervise the work of contractors, Coordinator positions and other staff, and performs complex or technical work with more authority for independent decisions and recommendations.

Coordinator III is distinguished from Coordinator IV in that the latter supervises a minimum of four employees and has considerable discretion in program oversight and development.

Coordinator III is distinguished from the Analyst series in that the latter exercises critical investigative ability, judgment, and discretion in making recommendations or decisions with an organizational impact and the former evaluates data and other information and collaborates with stakeholders to meet the goals of unit programs and functions.

ESSENTIAL FUNCTIONS

Depending on the assignment, the incumbent may perform a combination of some or all of the following duties, and perform related duties as assigned.

General Duties:

1. Develop standard practices and procedures for the activities of assigned programs or projects; establish program and performance goals and communicate expectations to staff; oversee development of new programs; assess and evaluate existing programs; promote an equitable workplace that demonstrates an environment respectful of living and working in a multicultural society.

2. Perform professional and operational duties, and community development/outreach activities by leading ongoing working groups, special project teams, and collaborative efforts with staff and management.
3. Lead teams of professionals, paraprofessionals, contractors, and/or volunteers, in planning, developing, implementing, and evaluating programs or activities, including community and media promotions, education and advertising campaigns, and organizational unit projects and initiatives.
4. Develop and administer programs and projects; research and provide answers to technical questions; oversee the development and implementation of related plans, policies, and procedures.
5. Lead and provide internal and external customer service to City employees and the public on programs and services related to the unit; compile, research, and analyze customer service complaints and issues; identify areas of concern and develop recommendations for solutions and improvements; prepare clear and concise responses.
6. Lead and coordinate the sharing of information to ensure consistency in unit messaging and branding of programs, services, events, policies, and procedures; evaluate and enhance messaging to increase public awareness of mission and goals.
7. Oversee and maintain internal databases, mailing lists, and other tracking software; analyze data, identify gaps, and resolve issues.
8. Prepare complex cooperative purchasing agreements and interagency agreements.
9. Recommend and implement updates to established guidelines and standards used by the assigned unit to improve efficiency.
10. Plan, implement, and evaluate special events; identify and assign location, staff, equipment, and supplies; establish protocols and monitor event for compliance to safety and security guidelines.
11. Deliver services, products, and projects to the public, other governmental agencies, or private industry, through collaborative efforts with City staff and management, and external partners.
12. Participate in and lead community organizations and committees, City work groups, and collaborative teams to develop and implement public policy, public information, public awareness and involvement, community education and outreach, and/or media relations to meet City and unit goals and objectives.
13. Maintain websites, social media presence, and hardcopy and electronic forms, applications, and brochures; create and revise current forms, applications, and brochures.
14. Act as liaison between Bureau/Office and partner agencies; review overlapping policies and resolve conflicts; facilitate integration of new partner agency initiatives.
15. Organize, coordinate, and implement trainings for program staff and volunteers; conduct and evaluate training programs.
16. Develop and monitor complex contract and grant programs, policies, and procedures; ensure compliance with requirements; update and submit reports; draft related documents.

Specific Duties:

In addition to the General Duties, the incumbent may perform a combination of some or all of the following duties specific to the position.

1. Coordinate acquisition and procurement programs; communicate with internal and external stakeholders regarding requisitions and purchases; administer various contracts and agreements.
2. Coordinate the implementation and enforcement of City alarm ordinances; developing guidelines and processes for appealing false alarm fines; address alarm billing dispute inquires; validate that fines are consistent with alarm ordinances.
3. Lead and evaluate work of staff, including regular staff and casual/seasonal employees; develop team duties and responsibilities; provide support and ongoing direction.
4. Develop and administer various activities related to law enforcement programs, systems, and function(s); maintain and expand Portland Police Bureau (PPB) and City systems to partner agencies to improve efficacy in law enforcement efforts.

5. Plan, develop, organize, and implement water and environmental policies, programs, and projects; implement programs to ensure City's and local industries' compliance with local, state, and federal policy, laws, and regulations; plan, design, and manage facilities for groundwater, storm water, wastewater, and watershed resources.
6. Design and manage technical studies and research programs; oversee or conduct analysis of data; prepare reports and make presentations, analyze trends in data, and make associated recommendations for policy and operational changes.
7. Plan and implement right of way and transportation programs and projects.
8. Monitor program budget; prepare reports on revenue, expenditures, and future projections.
9. Develop strategic equity and inclusion initiatives and action plans; analyze, assess, and make recommendations for broad policy and procedure changes.
10. Track, analyze, and participate in public process for current and development of federal, state, and local regulations; provide recommendations to stakeholders; coordinate response to proposed legislative changes.
11. Coordinate and participate in the acquisition and sale of real property; oversee, negotiate, and review rental and lease agreements; recommend changes.
12. Track federal, state, and local permits issued to city project teams; coordinate with stakeholders to ensure permits are in compliance.
13. Prepare and maintain emergency operation programs; facilitate training exercises; evaluate program effectiveness and recommend changes.

SUPERVISION RECEIVED AND EXERCISED

The work of this classification is performed under minimal supervision by a Coordinator IV, Supervisor, Manager, or other supervisory- or management-level position.

This classification may supervise employees and may lead staff on assigned programs, projects, and functions.
