

6.03 VACATION

General

City of Portland employees shall accrue vacation leave as provided in this Rule. Vacation shall be accrued biweekly in conformity with the payroll period. Any vacation time accrued may be taken by an employee in accordance with procedures established by this Rule and bureau rules.

Persons not Entitled to Vacation Benefits

No person employed as a consultant or expert on a contract basis, employed on a seasonal basis, or temporarily employed in a non-budgeted position shall accrue vacation leave.

Basis for Computing Vacations

The rate that vacation leave accrues shall depend upon the number of years of total service for the City, whether or not the total was broken. Except as otherwise provided in a labor agreement, if in a calendar year an employee will have attained the following number of years of total service, then beginning on January 1 of that year, the employee's vacation leave shall accrue at the rate indicated in the following appropriation schedules.
