

BHR BULLETIN

09 . 08 . 20

A weekly update from the Bureau of Human Resources.

Dependent Care Survey

Are you facing challenges juggling roles as a caregiver and a City employee? Take a few minutes before 5 p.m. this Thursday, Sept. 10, to fill out our Dependent Care Survey. BHR will use the information to explore possible strategies to offer support. [Take the Dependent Care Survey now.](#)

Flu Shots

On-site flu clinics are operating at most, but not all, worksites this year to keep City employees healthy.

Because worksites need to limit the number of people in buildings, and some staff are required to be on-site, we ask -- **if you are currently working from home, please do not come into a City facility for your flu shot.** Instead, you and your dependents can get flu shots at no cost from your primary care provider or any in-network pharmacy through your Moda administered health plan. If you are a Kaiser participant, please go to <https://healthy.kaiserpermanente.org/health-wellness/flu>, to get information about receiving a flu shot.

For those currently reporting to worksites, a complete list of on-site flu shot clinic options as well as instructions are available at <https://www.portlandoregon.gov/bhr/77492>.

Please read the vaccine information sheet and complete the paperwork before visiting a worksite clinic.

Employee Assistance Program (EAP)

September is Suicide Prevention Awareness Month

The key to lowering the suicide rate is prevention, which includes education, stigma reduction, and improving support resources for those who are at risk. Mental health conditions and suicidal thoughts can affect anyone regardless of age, gender or background.

Trip Reduction Incentive Program (TRIP) -- New Card Charge

Be prepared for a \$3 fee next time you order a reloadable Hop card through BHR, or replace a lost or damaged card. TriMet and CTRAN began charging this new fee Sept. 3, 2020.

COVID-19

Guidance

An intranet page is now available with documents providing guidance on COVID-19 safety practices as well as how to manage illness and exposure in the workplace. The information is a collection of both new and previously released documents. The page is hosted by the Bureau of Human Resources and is part of the Emergency Coordination Center's ongoing effort to improve information sharing and promote collaboration among City bureaus and offices during the City's pandemic response. While intended for all City staff, it is especially important for business partners, continuity planners, safety professionals, managers, and supervisors to bookmark this [COVID-19 Resource page](#).

Testing

For those covered by a City health plan administered by Moda, testing is available at no cost if you are exhibiting symptoms, at high risk, or exposed at work to someone with COVID-19. Contact your primary care provider or use this link: www.healthoregon.org/covid19testing, to find a testing site. Kaiser members can [find testing information here](#). For additional facts, and to assess your risk, visit the [Multnomah County COVID-19 Testing website](#).

Quarantine

In our continuing effort to assist employees during this challenging time, the City has coordinated a quarantine location at a local hotel for employees exposed to COVID-19 while at work, who are unable to quarantine safely at home. To access the hotel, please contact your supervisor, HR business partner, or bureau safety manager.

Work Share

We understand the State of Oregon sponsored Work Share program messages can be confusing, and participants have received many different messages as the program continues to evolve. Please see below for a summary of the more recent updates.

Processing

The Oregon Employment Department (OED) is still processing claims, so it is common for Work Share participants to be missing payments. If you email the Work Share inbox regarding missing payments, please include your furlough dates, the number of payments received, and the weeks listed on any paper checks. If you received a letter regarding the waiting week, please include the date listed. All of this information will help us assess which payments are being processed.

Waiting Week

Multiple Work Share participants have received notice from OED, stating they would not be paid for their first week of qualifying for benefits -- due to a waiting week. This is happening because OED hasn't been able to update its system to allow payment during the waiting week, which was waived by Governor Brown.

OED stated last week that it is planning to pay the "waiting week" benefit by late November, but cannot guarantee the success of this plan.

Denial Letters

If you receive a letter indicating your Work Share claim for a particular week cannot be paid, and that you need to call OED or return the enclosed form within five days of the date of the letter, **you do not need to return the form**. Send a message to the Work Share Inbox, and we can investigate why your claim might have been denied. In your message, please provide information about which week of benefits has been denied and the reason given, or attach a scan or photo of the denial letter.

ReliaCard

All employees who receive a Work Share benefit will receive a US Bank ReliaCard. Typically, this should arrive in the mail within 10 days after you receive a check for your first week of benefits. Be sure to activate the card and keep it in a safe place. More information about ReliaCards and how to use one can be found in this [detailed FAQ](#).

We don't know whether OED has been able to process direct deposit forms for all City employees yet. It is possible you may get your next payment or several payments on your ReliaCard, even though you signed up for direct deposit. Be sure to check the balance on your ReliaCard by creating a user account on the [ReliaCard website](#). You can also sign up for text and email alerts to let you know when new funds have been deposited.

If you have questions regarding Work Share benefits or the process, please email inboxworkshare@portlandoregon.gov.
