

IT'S TIME TO GET THE FLU SHOT

The COVID-19 pandemic is still underway as we move into flu season. This year, more than ever, it is critical that members are vaccinated as soon as possible.

Kaiser Permanente is focused on new ways to deliver flu shots to our members safely and conveniently, including offering flu shots for members at the following retail locations now through December 31, 2020:

- Albertsons
- Costco
- CVS Health
- Fred Meyer
- Kroger
- QFC
- Rite Aid
- Safeway
- Sav-On
- Walgreens
- Walmart

Members who get a flu shot from a designated retail location will not have to pay for the shot and will not need to file a claim.

IMPORTANT NOTE:

Members will need to let the flu shot provider know that they are a Kaiser Permanente member, and will need to show a photo ID and their physical or digital ID card (just knowing their number will not be enough).

This will help with billing and enable us to update the member's medical records.
