Oregon OSHA COVID-19 eLearning Update

(New-ish) May 4, 2021 the Oregon OSHA Temporary Rule became a Permanent Rule. It includes the same training requirement the Temporary Rule had, so the eLearning **continues to be required for all employees** (including interns, regular full- and part-time employees, limited duration employees, and actively working seasonal/casual employees). This training requirement continues until the Permanent Rule is repealed. If you've already completed the training you don't need to take it again. However, any employees who haven't completed the eLearning and all new hires are expected to complete the training as soon as possible. The eLearning can be accessed through CityLearner. Questions? Unable to access CityLearner? Contact the BHR Training team at hrtraining@portlandoregon.gov.

Pay Equity

We've begun the City's 2021 Pay Equity Study! The City of Portland is partnering with the University of Southern California (USC) Race and Equity Center to conduct this year's pay equity study. The study will include a pay equity analysis allowing the City to make sure we are following the law established by House Bill 2005, "[The Pay Equity Bill](#)". According to Oregon's pay equity law, every worker must get equal pay for equal work regardless of your gender, race, age, or other protected characteristics.

What's new

- We are partnering with USC Race and Equity Center.
- We've purchased software to enhance our analyses and reporting.
- We are providing [Pay Equity 101 training to managers and supervisors](#).
- We've announced via email the start of the study and an upcoming survey.

What's coming

- We are sending out an invitation to complete a survey about your education, training, and work experience.
- We are providing [Pay Equity 101 training to all non-represented employees](#) in June.
- We are working on a City Pay Equity web page to provide information to employees.

BHR is committed to a pay philosophy for the City that is transparent, equitable, and responsive to employee input. We are grateful for your support and will continue to provide regular updates about this year's Pay Equity Study. Stay tuned!

COVID-19

For more information regarding **Guidance, Testing, Temporary Leave, and Leave Sharing**, please go to this [COVID-19 Update page](#).

COVID-19 Vaccinations

(New) Please submit vaccination questions to Joel.Michels@portlandoregon.gov. Answers will be provided in the following week's BHR Bulletin and [a compiled list is posted here](#).

The information provided is taken from the Centers for Disease Control and Prevention ([CDC](#)) and Oregon Health Authority ([OHA](#)) resources with input from our own Joel Michels, Nurse Practitioner, Occupational Health and Well-being Program Manager.

Q: Is it safe for my child to get a COVID-19 vaccine?

A: Yes! Studies show that COVID-19 vaccines are [safe](#) and [effective](#). Like adults, children may have some [side effects](#) after COVID-19 vaccination. These side effects may affect their ability to

do daily activities, but they should go away in a few days. Children 12 years and older are now eligible to get vaccinated against COVID-19. COVID-19 vaccines have been used under the most intensive safety monitoring in U.S. history, including studies in children 12 and older. Your child cannot get COVID-19 from any COVID-19 vaccine.

Q: Should my child get the COVID-19 vaccine?

A: COVID-19 vaccination can help protect your child from getting COVID-19. Although fewer children have been sick with COVID-19 compared to adults, [children can be infected with the virus that causes COVID-19](#), can get sick from COVID-19, and can spread the virus that causes COVID-19 to others. Getting your child vaccinated helps to protect your child and your family. Vaccination is now recommended for everyone 12 years and older. Currently, the [Pfizer-BioNTech COVID-19 Vaccine](#) is the only one available to children 12 and older.

Q: I'm hesitant to get the COVID-19 shot because I'm scared of needles. Can't I just keep wearing a face covering instead?

A: While face coverings help limit the spread of COVID-19, being fully vaccinated provides much stronger protection which is why the CDC has issued [updated guidance](#) that allows fully vaccinated people to resume some activities without wearing a mask or distancing. Case numbers in the United States and Oregon are starting to go down which is being attributed to so many people getting the vaccine, not the use of face coverings.

Facing your fear of needles isn't easy but knowing what to expect and talking with others may help you once you decide to get vaccinated. Know that you are not alone. One in four adults has some anxiety about needles, and one in 10 may avoid shots altogether unless they work to overcome this fear. Start by understanding [what to expect](#) ahead of time. Review the questions you will be asked at the vaccination site by visiting their web page. Vaccine clinics are well organized, calm, and provide the opportunity for you to ask questions and talk about your fear of needles with staff which will allow them to help address your concerns. Having a solid plan for vaccination day can also help -- such as how you will distract yourself, who you want to go with you, how you will get there, how you will celebrate after, and then stay with your plan.

Next week we will continue to answer questions related to COVID-19 vaccinations. The intent of the information is to help you make an informed decision about vaccination. If you have questions, please send them to Joel.Michels@portlandoregon.gov.

Guidelines for 12- to 15-year-olds

12- to 14-year-olds must be accompanied by either a parent, a guardian, or someone designated by the parent. 15-year-olds do not need to be accompanied and do not require parental consent in the state of Oregon.

If someone other than a parent or guardian accompanies the 12- to 14-year-old, they will need to provide proof of parental or guardian consent.

Proof of consent is either:

- A signed consent form
- A written or typed note that includes the parent/guardian's name, their relationship to the young adult, the young adult's date of birth, a statement saying the parent/guardian consents to the young adult being vaccinated, and the parent/guardian's signature.

To learn more about the Pfizer COVID-19 vaccine, please review the Emergency Use Authorization Fact Sheet: <https://www.fda.gov/media/144414/download>.

Families First Coronavirus Response Act (FFCRA)

Time off to get the COVID-19 vaccine as well as recovery from any side effects (without medical diagnosis unless the absence is more than three calendar days) are now expanded qualifying reasons for leave. This is part of the City's voluntary extension of FFCRA emergency paid sick leave for those who have not already exhausted their two weeks of paid sick leave.

If interested in vaccine-related time off, please submit a [COVID-19 Vaccine Time Off Application](#) to your bureau's Timekeeper for processing.

Safety Net Program

The Safety Net Program offers support options for employees and budget-constrained bureaus, addressing needs brought on by COVID-19. Tools have been created to provide bureau-approved flexible leave options to employees during national- and state-declared emergencies. Details can be found on the BHR Safety Net page at <https://www.portlandoregon.gov/bhr/81209>.

Work Share

City of Portland Work Share Renewal

Last month we sent emails to Work Share participants who have furloughed or reduced schedules since January 1, 2021. Information was provided about the City's Work Share plan renewal with instructions on how to submit the necessary forms to continue to participate in Work share between May 30, 2021 and May 28, 2022. If you did not receive that email and would like more information about how to participate in Work Share after May 29, 2021, please email inboxworkshare@portlandoregon.gov for forms and the submission link.

An updated [Work Share FAQ is available here.](#)

Corrections to Work Share Claims

Oregon Employment Department (OED) is no longer accepting corrected Work Share claims. Until now, OED allowed the City to file corrected claims. We have been doing a routine lookback at employee timesheets with furloughs or reduced schedules, then reporting corrections to OED.

Going forward, we will no longer be able to submit corrections to time after filing the regular weekly claim every Friday. It is extremely important for those who would like to receive Work Share benefits to ensure your timesheets are accurate by 5 p.m. Monday -- the week after you furloughed or reduced your schedule.

If you are currently participating in Work Share and do not enter your own time on your timesheet, please talk to your bureau timekeeper about the importance of entering your time by the 5 p.m. Monday deadline.

If you or your timekeeper make a change to your timesheet **after** the Monday 5 p.m. deadline, **and it is still within the same week**, please email the Work Share team at inboxworkshare@portlandoregon.gov as soon as possible, **prior to 9 a.m. Friday**. The Work Share team will make every effort to update your claim before submitting to OED Friday afternoon.

New Citywide Performance Management/Goal Management (PMGM) Process

A new Performance and Development Review process, traditionally a paper-based system, is moving online in July. This will add ease of use and consistency Citywide.

The SuccessFactors Performance and Development Review process is currently being used by merit eligible City staff across all bureaus. This excludes Commissioners and their staff, as well as Bureau Directors. Currently, most represented City staff are not using SuccessFactors. However, union represented employees within the Bureau of Planning and Sustainability will be piloting the system as we launch later this year.

Now is the perfect time to join a drop-in session and get comfortable navigating this new platform as we prepare to go live.
