## **COVID-19**

For more information regarding **Guidance, Testing, Temporary Leave, and Leave Sharing**, please go to this [COVID-19 Update page](#).

### **Vaccine for City employees**

***(New-ish)* On-site vaccine clinics for City employees** are available beginning Aug. 24. With direction from Mayor Wheeler, these clinics have been organized to make it easy for staff to receive their vaccine.

The Pfizer vaccine will be provided at staff clinics. Please [review additional information and sign up for a clinic here](#). Please register for September clinics this week, so we can ensure adequate vaccine supplies.

### **The Science of COVID-19 Vaccines and Variants**

**(New-ish)** As you know, information about COVID-19 variants is changing rapidly, and it can be hard to know what information is true and accurate. You're invited to join a live virtual webinar hosted by Kaiser Permanente to add clarity.

During the event, you'll hear from a leading Infectious Disease Physician who will discuss the COVID-19 variants and available vaccines. The information can help you make important medical decisions for you and your loved ones as well as empower you to have informed conversations with friends and family.

Thursday, Sept. 2, 12:15-1 p.m.

[Register here.](#) (You can submit a question.)

*A recording will be available for a up to seven days following the webinar. The link will be emailed to anyone who registers.*

### **COVID-19 Vaccinations**

**(New-ish)** Please submit vaccination questions to [Joel.Michels@portlandoregon.gov](mailto:Joel.Michels@portlandoregon.gov). Answers will be provided in the following week's BHR Bulletin and [a compiled list is posted here](#).

The information provided is taken from the Centers for Disease Control and Prevention ([CDC](#)) and Oregon Health Authority ([OHA](#)) resources with input from our own Joel Michels, Nurse Practitioner, Occupational Health and Well-being Program Manager.

**Q:** Am I knowledgeable enough about the vaccines and their safety?

**A:** Test your knowledge here! [How much do you know about COVID-19 vaccines?](#)

**Q:** How well are the vaccines working to protect us against COVID-19 and the Delta variant?

**A:** COVID-19 vaccination reduces the risk of COVID-19 and its potentially severe complications. All COVID-19 vaccines currently authorized for use in the United States helped protect people against COVID-19, including severe illness, in clinical trial settings. So far, [studies](#) that have looked at how COVID-19 vaccines work in real-world conditions (vaccine effectiveness studies) have shown that these vaccines are working well.

While COVID-19 vaccines are working well, some people who are fully vaccinated against COVID-19 will still get sick, because no vaccines are 100% effective. These are called [vaccine breakthrough cases](#). However, data suggest that vaccination may make symptoms less severe in people who are vaccinated but still get COVID-19. mRNA COVID-19 vaccines have been shown to provide protection against severe illness and [hospitalization among people of all ages eligible to receive them](#). This includes people 65 years and older who are at higher risk of severe outcomes from COVID-19.

### **Variants and Vaccines**

- FDA-authorized COVID-19 vaccines help protect against Delta and other known variants.
- These vaccines are effective at keeping people from getting COVID-19, getting very sick, and dying.

- To maximize protection from the Delta variant and prevent possibly spreading it to others, you should wear a mask indoors in public if you are in an area [of substantial or high transmission](#) even if you are fully vaccinated.
- We don't know how effective the vaccines will be against new variants that may arise.

Next week we will continue to answer questions related to COVID-19 vaccinations. The intent of the information is to help you make an informed decision about vaccination. If you have questions, please send them to [Joel.Michels@portlandoregon.gov](mailto:Joel.Michels@portlandoregon.gov).

[The City's COVID-19 Response page is available here.](#)

### **Safety Net Program**

The Safety Net Program offers support options for employees and budget-constrained bureaus, addressing needs brought on by COVID-19. Tools have been created to provide bureau-approved flexible leave options to employees during national- and state-declared emergencies. Details can be found on the BHR Safety Net page at <https://www.portlandoregon.gov/bhr/81209>.

### **Work Share**

Updates to the City's Work Share FAQ can be found here: [Work Share Program FAQ 06-08-2021 \(portlandoregon.gov\)](#)

If you are currently participating in Work Share and do not enter your own time on your timesheet, please talk to your bureau timekeeper about the importance of entering your time by the 5 p.m. Monday deadline.

If you or your timekeeper make a change to your timesheet **after** the Monday 5 p.m. deadline, **and it is still within the same week**, please email the Work Share team at [inboxworkshare@portlandoregon.gov](mailto:inboxworkshare@portlandoregon.gov) as soon as possible, **prior to 9 a.m. Friday**. The Work Share team will make every effort to update your claim before submitting to OED Friday afternoon.

### **End of COVID-19 Federal Stimulus and How it Impacts Current Work Share Participants**

**(New)** The COVID-19 stimulus provided by the federal government to supplement unemployment benefits expires Sept. 4, 2021. **This means that the extra \$300 (or \$252 with taxes withheld) per week will no longer be available** to City employees participating in the Work Share program. Those who continue to furlough or reduce their schedules under the Safety Net program will still be eligible to receive Work Share benefits. If you have any

questions or concerns, please reach out to the Work Share team at [inboxworkshare@portlandoregon.gov](mailto:inboxworkshare@portlandoregon.gov).

## **School routes are everywhere. Drive like it.**

**(New)** Starting this week, many students are returning to classrooms in Portland. PBOT Safe Routes to School and Metro created a campaign called “[Students are Everywhere Drive Like It](#),”

reminding drivers that students are still biking, walking and playing in our neighborhoods as well as traveling to and from schools for in-person learning, school lunches and materials. This campaign is available online, and in five languages in addition to English: Arabic, Chinese, Spanish, Russian and Vietnamese.

**It’s easy to help us get the word out!** Download materials for Facebook, Twitter and Instagram, virtual meeting backgrounds, social media captions and more by visiting:

[www.oregonsaferoutes.org/resources/campaigns/](http://www.oregonsaferoutes.org/resources/campaigns/). You’re invited to download and share any of the materials with friends, colleagues and networks. You can also follow #DriveLikeIt on

social media and reshare posts from PBOT [Safe Routes to School](#). Thank you for doing your part to keep our students safe!

## **Walking and Biking Resources**

To help more people safely get outside and stay active during the pandemic, PBOT created many self-guided walk and bike routes all over the city. The routes include a description and map, as well as accessibility information and mileage. Find your next outing in the links below.

## **Recruiting**

### **Data Corner**

**(New)** Did you know that “employee referral” is consistently one of the top five responses qualified applicants and hires give when asked how they first heard about a job at the City of Portland? As part of the monthly BHR dashboard, we track this data. Turns out your good reviews are playing a key role in building the City’s reputation as a destination employer. Thank you!

## Sourcing Metrics

### Qualified Applicant Sources

Qualified Applicants = 12,775

### Hire Sources

Hires = 1,608

The BHR dashboard is published on the City’s website by the third Wednesday of each month. To see more of the BHR dashboard, go to <https://www.portlandoregon.gov/bhr/77445>.

## **CAAN Black Employee Support Survey**

**(New-ish)** Last year at the beginning of the pandemic, City African American Network (CAAN) surveyed Black employees to gauge how well they were being supported as most of us transitioned into working from home. The survey results were a clear indicator that Black employees were unsupported, lacked access to promotional opportunities, and wanted Black leadership in the City of Portland.

The survey served as a jumping point for CAAN. We stopped just being a lunchtime affinity group and began [writing letters](#) to Directors/Commissioners, asking for accountability. We wrote a [Workforce Report](#) that got citywide attention. Now that it's been over a year, CAAN is preparing to work with City Council to address the Workforce Report. We hope to share the experiences and feedback from Black employees, and make meaningful change to support us. We also know that during this time of crisis; our work environment in addition to people's fear, anxiety, trauma responses and feelings of being overwhelmed can be at an all-time high -- resulting in negative impacts on mental well-being.

CAAN is interested in providing Black employees with a voice, as well as elevating that voice. We recognize we don't speak for all Black experiences, which is why we hope this survey will provide a safe and confidential space to share the depth of our experiences. While CAAN cannot speak directly with all managers, we hope to use the survey results to present to our policy makers and City Council, so that our voices are heard. Please take the survey.

- SURVEY LINK: <https://forms.gle/bGCvAu4kHoAozAE79>  
Open until **Friday, Sept. 17.**

**This survey is confidential, and responses are anonymous.** Please feel free to email [CAANLeadership@portlandoregon.gov](mailto:CAANLeadership@portlandoregon.gov) if you want to share more or need additional support. Last year's survey report is [here](#).

*Survey participants are automatically entered in a drawing to win a \$50 digital gift card!*

## **Racial Equity Support Line**

### **503-575-3764**

This is a service led and staffed by people with lived experience of racism. We offer support to those feeling the emotional impacts of racist violence and microaggressions, as well as the emotional impacts of immigration struggles and other cross-cultural issues.

We get it. And we’re here to talk. To support. To connect.

[More information is available here.](#)

## **IAP Member Choice window opens Sept. 1**

The Member Choice program was established by Senate Bill 1049 to enable Individual Account Program (IAP) participants to change how their IAP account is invested. Normally, each member’s IAP is invested in a “Target-Date Fund” (TDF) based on the year you will reach your target retirement age. The farther away the target retirement year, the riskier (but potentially profitable) the fund’s investments. The closer the year, the safer (but potentially less profitable) the fund’s investments. Member Choice enables participants to choose a Target-Date Fund for

your IAP -- based on the amount of risk you prefer, regardless of your target retirement year. This option is available once a year in a one-month window during September. The change goes into effect in January of the following year.

More information about TDFs and guidance on how to make a change can be found here: [IAP Target-Date Funds](#).

## **SuccessFactors Performance Management for Non-Represented Employees** **-- It's time to GO LIVE!!!**

### ***(New-ish)* Have you set your objectives yet?**

The first phase in our new performance cycle, **the Assess Phase**, wraps up Sept. 30.

During this phase you need to take two specific actions:

- 1. Work with your manager to set a minimum of three Service Objectives and three People Objectives in both objective plans.**
  - For a brief video tutorial on how to create an objective in the system, click [here](#).
  - There are two mandatory Citywide People Objectives in this initial cycle, each related to our City Core Values.
- Every employee must have **one People Objective** on how you will **Demonstrate the City Core Value of Anti-Racism**.
- Every employee must have at least **one additional People Objective** related to a **different City Core Value that is closely related to your role**.

(\*Remember: you will need to toggle between the two objective plans, Service and People)

- 2. Meet with your manager to discuss and approve your objectives by Sept. 30.**

(\*Remember: these objectives can change throughout the course of the year, so focus on the work that is most important right now.)

If you need help in defining good objectives for your role, use the following resources:

- [Objective Setting Reference Guide](#)

- City Core Value Objectives [Reference and Examples Sheet](#)
- Objectives Library, available within the SuccessFactors platform created by the Citywide SuccessFactors Steering Committee
  - o The Objectives Library is sorted by bureau and contains hundreds of general and specific objectives that you can edit and add to your plan.
- Your manager

You can access the SuccessFactors Performance Management platform in CityLearner through [the employee portal](#), or by opening the following CityLearner link in your browser [www.portlandoregon.gov/sf](http://www.portlandoregon.gov/sf) and clicking on “objectives” in the drop-down menu.

If you missed any of the communication or resources leading up to this point, you can access a simple process overview guide [here](#) or check out the dedicated [BHR web page](#), full of useful videos and reference material on our process.

For any questions regarding actions to take during this phase, or about the process overall, please contact your Bureau Admin, your Human Resources Business Partner or your SuccessFactors Steering Committee Representative by referencing this [Bureau specific chart](#).

For technology related questions please contact the BTS Helpdesk - [btshelpdesk@portlandoregon.gov](mailto:btshelpdesk@portlandoregon.gov) or by phone at x35199.

## **Pay Equity**

We’ve begun the City’s 2021 Pay Equity Study! The City of Portland is partnering with the University of Southern California (USC) Race and Equity Center to conduct this year’s pay equity study. The study will include a pay equity analysis allowing the City to make sure we are following the law established by House Bill 2005, [“The Pay Equity Bill”](#).

We’ve added a [Pay Equity Study FAQ](#) to our website.

BHR is committed to a pay philosophy for the City that is transparent, equitable, and responsive to employee input. We are grateful for your support and will provide regular updates about this year’s Pay Equity Study. Stay tuned!
