## **Moving Forward**

*(New)* As we transition past the vaccination mandate deadline of October 18, it's important that everyone has a clear understanding of how the City will ensure safety in the workplace for employees moving forward.

Please see the following requirements for all employees, and the new Citywide accommodations for staff who are not fully vaccinated (received all required doses of a COVID-19 vaccine **and** have completed the 14-day waiting period), have a medical or religious exception, or are unvaccinated sworn police officers exempt under ORS 433.416.

### **Current Safety Citywide Protocols for all employees regardless of vaccine status:**

- Follow all Workplace Health and Safety Guidance protocols.
  - o Wear a face covering at all indoor City worksites. Vaccinated employees can remove masks when able to work in a single office with the door closed.
  - o Wear a face covering in all outdoor settings when social distancing is not

possible.

- o Frequently wash your hands.
  - o Complete the daily [Health Assessment Survey | Portland.gov](#) prior to reporting to a City facility.
  - o Stay home when you're sick.
- Follow any Bureau-specific safety protocols issued by a Bureau Director.
  - Link to guidance at <https://www.portlandoregon.gov/bhr/81288>.

**Effective no later than Monday, Oct. 25, additional NEW Citywide requirements** for employees who are not fully vaccinated and have a temporary accommodation during the final 14-day waiting period, have a medical or religious exception, or are unvaccinated sworn police officers exempt under ORS 433.416:

- Wear a **KN95** face covering at all indoor City worksites, at all times of the day or night, regardless of whether you can work in a single office with the door closed or in a City vehicle.
- As soon as the face covering is issued, it must be worn.
- To the extent possible, each person shall take additional precaution by social distancing during break and lunch periods, such as taking staggered breaks and lunches when approved by a supervisor, having one person at a time in a break room, taking breaks outside, etc.
- In all City-owned congregated live/work spaces, unvaccinated employees shall be required to eat in their individual living spaces (in a fire station) or otherwise separated from other employees, such as eating outside.
- All unvaccinated employees will be fitted for an N95 respirator (if not already provided one) in the next few weeks and may be asked to wear it in lieu of the KN95 when social distancing is not possible, like when you are required to be on an emergency repair in close confinement.
- Abide by any other safety precautions as required by each employee's bureau.
- The City's intent is to implement both detection and prevention strategies, which will include testing and become part of the requirements for unvaccinated employees once all protocols are established. We expect to have testing in the coming weeks. The City reserves the right to reconsider, alter, or change any of these requirements and will provide employees with notice of such changes.

If you have concerns that another City employee is failing to comply with these requirements within your workgroup or otherwise, or if you witness any other situation which gives rise to a safety concern, please direct those concerns to your manager, supervisor, even beyond your usual chain of command, or your bureau's assigned HR Business Partner. The City will strictly enforce these requirements, up to and including termination for failure to comply.

Please be mindful that everyone's situation is unique to them, and that each of us plays a role in how we move forward as the City that works.

### **HRAR 6.08, Funeral and Bereavement Leave**

**(New)** On Wednesday, Oct. 13, Council voted to approve a significant update to HRAR 6.08 Funeral and Bereavement Leave. The proposed update was presented to Council in support of affinity groups who brought necessary revisions forward.

First, more inclusive language was added, removing the gendered binary language -- saying parent or child instead of mother or daughter, adding relationships of "close affinity" so more families are included, and all families are included regardless of being biological or not.

Secondly, pregnancy loss was added to the policy. Miscarriage, stillbirth, and other loss (including fertility treatment loss and medical termination) are now covered, because no matter the loss, there is physical and psychological pain. Employees are now supported with paid time off to grieve.

Thank you to the City's affinity groups for the work you did to align this rule with the City's core values. You are appreciated.

### **COVID-19**

#### **COVID-19 Leave for Non-Represented, DCTU, PROTEC17 and LiUNA Represented Employees**

**(New)** On Sept. 20, 2021, the City and non-public safety labor unions signed a letter of agreement to bargain impacts of the City's vaccine mandate. Part of this agreement includes additional sick leave of up to 80 hours for qualified COVID-19 related reasons (listed below) between July 1, 2021 and June 30, 2022.

Non-represented, as well as DCTU, PROTEC17 and LiUNA represented employees must request this leave/time off utilizing your bureau's current process for leave requests. When requesting

COVID-19 Emergency Paid Sick Leave through the ESS leave request system, select the leave type "other," and enter **EPSL** (or **EPSM** if used to care for a family member) in the comment section. Requests will be reviewed by your manager/supervisor, like other requests.

Once approved, use **EPSL** (or **EPSM** if used to care for a family member) as the absence type on your timesheet. When you certify your timesheet, you are verifying that the time is only being used for one of the qualifying reasons listed below. No additional forms are required.

If you have taken time off for one of these reasons after July 1, 2021, you will need to submit or modify a corresponding leave request. When approved, work with your bureau timekeeper to update your timesheet retroactively.

Employees can use COVID-19 EPSL/EPSM leave if they are:

1. advised to quarantine related to COVID-19
2. experiencing symptoms of COVID-19 and seeking a medical diagnosis (including, but not limited to, obtaining a COVID-19 test or telehealth visit)
3. providing care for an impacted individual subject to quarantine or experiencing symptoms of COVID-19
  - a. Individual is defined as an immediate family member, roommate, or a similar person with whom the employee has a relationship that creates an expectation that the employee would care for the person in a quarantine or self-quarantine situation, and that individual depends on you for care during the quarantine or self-quarantine.
4. caring for your child whose school or place of care is closed or unavailable due to COVID-19 related reasons
5. taking time off to receive the vaccine or boosters (if the time off exceeds the following)
  - b. Employees may use up to two hours of regular, paid time to get a vaccination, whether on or off duty. These hours are recorded as regular paid hours on the timesheet; therefore, time entry is only required for positive pay employees or hours outside of an employee's work schedule.
  - c. For COVID-19 vaccinations that require two doses, each employee may be granted up to two hours paid time off for each dose.
  - d. Employees must submit a time request with the time type "other" and note "vaccine" in the comment section.
6. recovering from adverse side effects of the vaccine (adverse side effects or allergic reactions which require medical treatment may be filed as a workers' comp claim; EPSL and a workers' comp claim cannot be used concurrently for the same dates)

**(New) Popular Question:**

**Can I use the new COVID-19 Emergency Paid Sick Leave for a travel-related quarantine?**

**Answer:** No, that is not a qualifying reason. The quarantine must prevent an employee from being able to work, if work is available -- such as due to being exposed to someone who tested positive for COVID-19, or being advised by a healthcare provider to self-quarantine.

**COVID-19 Vaccinations**

Please submit vaccination questions to [Joel.Michels@portlandoregon.gov](mailto:Joel.Michels@portlandoregon.gov). Answers will be provided in the following week's BHR Bulletin and [a compiled list is posted here](#).

The information provided is taken from the Centers for Disease Control and Prevention ([CDC](#)) and Oregon Health Authority ([OHA](#)) resources with input from our own Joel Michels, Nurse Practitioner, Occupational Health and Well-being Program Manager.

**Q:** Do I need a booster shot?

**A:** Studies show that after getting vaccinated against COVID-19, **protection against the virus may decrease** over time and be less able to protect against the Delta variant. Although COVID-19 vaccination for adults 65 years and older remains effective in preventing severe disease, [recent data](#) suggest vaccination is less effective at preventing infection or milder illness with symptoms. Emerging evidence also shows that among healthcare and other frontline workers, vaccine effectiveness against COVID-19 infections is decreasing over time. This lower effectiveness is likely due to the combination of decreasing protection as time passes since getting vaccinated (e.g., waning immunity) as well as the greater infectiousness of the Delta variant.

Data from a small clinical trial show that a Pfizer-BioNTech **booster shot increased the immune response** in trial participants who finished their primary series six months earlier. With an increased immune response, people should have improved protection against COVID-19, including the Delta variant.

**Q:** Who is eligible for a booster now?

**A:** COVID-19 Vaccine booster shots are available for the following Pfizer-BioNTech vaccine recipients who completed their initial series at least six months ago and are:

- 65 years and older
- Age 18+ who live in [long-term care settings](#)
- Age 18+ who have [underlying medical conditions](#)
- Age 18+ who work in [high-risk settings](#)
- Age 18+ who [live in high-risk settings](#)

**Q:** What should people who received Moderna or Johnson & Johnson's Janssen (J&J/Janssen) vaccine do?

**A:** The Advisory Committee on Immunization Practices (ACIP) and CDC's recommendations are

bound by what the U.S. Food and Drug Administration's (FDA) [authorization](#) allows. Currently, the Pfizer-BioNTech booster authorization only applies to people whose primary series was Pfizer-BioNTech vaccine. People in the recommended groups who got the Moderna or J&J/Janssen vaccine will likely need a booster shot. More data on the effectiveness and safety of Moderna and J&J/Janssen booster shots are expected soon. With those data in hand, CDC will keep the public informed with a timely plan for Moderna and J&J/Janssen booster shots.

**Q:** What are the risks to getting a booster shot?

**A:** So far, [reactions reported](#) after getting the Pfizer-BioNTech booster shot were similar to that of the 2-shot primary series. Fatigue and pain at the injection site were the most reported side effects, and overall, most side effects were mild to moderate. However, as with the 2-shot primary series, [serious side effects are rare](#), but may occur.

**Q:** Am I still considered "fully vaccinated" if I don't get a booster shot?

**A:** Yes. Everyone is still considered fully vaccinated two weeks after their second dose in a 2-shot series, such as the Pfizer-BioNTech or Moderna vaccines, or two weeks after a single-dose vaccine, such as the J&J/Janssen vaccine.

Next week we will continue to answer questions related to COVID-19 vaccinations. The intent of the information is to help you make an informed decision about vaccination. If you have questions, please send them to [Joel.Michels@portlandoregon.gov](mailto:Joel.Michels@portlandoregon.gov).

### **Safety Net Program**

The Safety Net Program offers support options for employees and budget-constrained bureaus, addressing needs brought on by COVID-19. Tools have been created to provide bureau-approved flexible leave options to employees during national- and state-declared emergencies. Details can be found on the BHR Safety Net page at <https://www.portlandoregon.gov/bhr/81209>.

### **Work Share**

Updates to the City's Work Share FAQ can be found here: [Work Share Program FAQ 06-08-2021 \(portlandoregon.gov\)](#)

If you are currently participating in Work Share and do not enter your own time on your timesheet, please talk to your bureau timekeeper about the importance of entering your time by the 5 p.m. Monday deadline.

If you or your timekeeper make a change to your timesheet **after** the Monday 5 p.m. deadline, **and it is still within the same week**, please email the Work Share team at [inboxworkshare@portlandoregon.gov](mailto:inboxworkshare@portlandoregon.gov) as soon as possible, **prior to 9 a.m. Friday**. The Work Share team will make every effort to update your claim before submitting to OED Friday afternoon.

### **End of COVID-19 Federal Stimulus and How it Impacts Current Work Share Participants**

The COVID-19 stimulus provided by the federal government to supplement unemployment benefits expired Sept. 4, 2021. **This means that the extra \$300 (or \$252 with taxes withheld) per week will no longer be available** to City employees participating in the Work Share program. Those who continue to furlough or reduce their schedules under the Safety Net program will still be eligible to receive Work Share benefits. If you have any questions or concerns, please reach out to the Work Share team at [inboxworkshare@portlandoregon.gov](mailto:inboxworkshare@portlandoregon.gov).

### **Forfeited Vacation Carryover Hours to be moved to a Separate Bank**

**(New-ish)** In support of your ongoing effort to serve the community during the pandemic, a new accrual bank for potentially forfeited (carryover) vacation hours will be established.

[Read the ordinance here.](#)

Historically, vacation hours over the maximum allowed (two to three years' accruals, depending on position) were forfeited if not used by the end of the first pay period in January. Now, accruals over maximum will be moved to a separate bank, accessible until calendar year 2024. If not used by then, the hours will be forfeited.

Find your vacation accrual rate in [HRAR 6.03](#).

## **SuccessFactors Performance Management for Non-Represented Employees**

### ***(New-ish)* Time to Check-In!**

The Refine phase of our new performance cycle runs from Oct. 1 – Dec. 31.

During this phase, BHR will conduct a mass launch of performance forms for all active employees on Oct. 1.

When employees are hired after Oct. 1, the employee's manager can launch their form by following the instructions on the Performance and Development Review web page under the, "07 Create a Performance Form (for a New Employee)" section.

<https://www.portlandoregon.gov/bhr/80673>

The only action you will need to take during this Phase is to:

- a. Conduct the Refine check-in with your manager – review your Service and People objectives and discuss progress to date.
  - [Performance Form 01 Check Ins \[ Employee \] – YouTube](#)
- b. Your manager will need to enter the date you conducted the check-in on the review form to complete this action.
  - [Performance Form 02 Check Ins \[ Manager \] - YouTube](#)

Remember, a good check-in simply ensures that you and your manager are taking a few moments to address four questions.

What we call the 4x4, which includes two questions that look backward and two questions that look forward.

Here's what a 4x4 quarterly check-In should cover:

- 1) How did you do against your service objectives during the last quarter?
  - 2) How did you do against your people objectives during the last quarter?
  - 3) What are your priorities for the next quarter?
  - 4) What training, resources, or coaching do you need to meet those priorities?
- Following each quarterly check-in, you and your manager should record progress, results, comments, as well as note any changes or necessary adjustments to each objective on your Performance form.
  - You can access the SuccessFactors Performance Management platform in CityLearner through [the employee portal](#), or by opening the following CityLearner link in your browser [www.portlandoregon.gov/sf](http://www.portlandoregon.gov/sf) and clicking on “objectives” in the drop-down menu.

If you missed any of the communication or resources leading up to this point, you can access a simple process overview guide [here](#) or check out the dedicated [BHR web page](#), full of useful videos and reference material on our process.

## **Black Space**

This meeting is specifically for City of Portland’s Black employees. We will provide support where needed, and work together to identify common experiences as well as ways the City can better support and retain Black employees.

## **Benefits**

### **Flu Shots**

On-site flu shot clinics are operating at most worksites this year to keep City employees healthy.

Because worksites need to limit the number of people in buildings, and some staff are required to be on-site, we ask -- **if you are currently working from home, please do not come into a City facility for your flu shot.**

Instead, Moda members can get flu shots at no cost from your primary care provider or any Express Scripts in-network pharmacy (when presenting your pharmacy card). If you are a Kaiser participant, members can schedule a flu shot appointment at [kp.org/flu](http://kp.org/flu). Kaiser members can also visit retail pharmacies including Albertsons, Costco, CVS, Fred Meyer, Rite Aid, Safeway, Walgreens, and Walmart to get a shot at no additional cost.

For those currently reporting to worksites, a complete list of on-site flu shot clinic options as well as instructions are available at: [2021 Flu Shot Clinics for Employees](#).

Please read the vaccine information sheet and complete the paperwork before visiting a worksite clinic.

### **Employee Assistance Program (EAP)**

***Defensive Driver Training -- eLearning now available in CityLearner – Updated July 2021***

Purpose: Present basic defensive driving techniques useful for any driver. Program also reviews expectations while driving on city business. These classes enable city drivers to comply with [HRAR 4.13 Vehicle Loss Prevention](#). Drivers need to refresh defensive driver training every three years. Content is broken into five modules or sections. Each module can be taken individually.

**Training topics include:**

- Driving policies
- Defensive driving strategies and techniques
- Factors affecting driver performance
- Safe backing
- Driving in adverse conditions
- Sharing the road
- Incident reporting requirements.

The eLearning can be taken at any time. Here is a direct link to the course: [Defensive Driver](#)

**Leadership Engagement and Development (LEAD) Program for Managers & Supervisors**

***Employee Lifecycle Training***

**(New)** In this 2-part LEAD certification kickoff course, core values, including transparency, human-focused service, and equity are emphasized within each phase of the employee lifecycle. Managers and supervisors will be equipped with an essential understanding of policies, processes, tools, and best practices for supporting employees in each of the five phases: Recruitment, Talent Selection, Onboarding, Employee Development, and Employee

Engagement.

Day 1: Tuesday, Nov. 2, 9 a.m. - 12:30 p.m.

Day 2: Thursday, Nov. 4, 9 a.m. - 12:30 p.m.

### ***Emotional Intelligence***

**(New)** Do you ever get upset at work? Do you work with people who sometimes get upset or shut down? If you answered yes, you're human and you work with other humans! And, it's likely you experience a range of emotions at work from anger and fear to joy and compassion. In this introductory class, we examine the spectrum of emotions in our daily lives and learn how to cultivate awareness and acceptance of what our emotions are telling us.

In this 2-part training, we break down the core competencies of emotional intelligence at work and identify specific strategies to slow down, process what is happening and build the support you and your teams need. Emotional intelligence is essential to embodying the City of Portland's core values, and is foundational to dismantling systems of oppression and leading resilient and empowered teams. Hosted by BHR, this virtual class is led by Dawn Uchiyama, Deputy Director at the Bureau of Environmental Services, who wholeheartedly invites you to join the conversation.

Day 1: Tuesday, Nov. 16, 1-4 p.m.

Day 2: Thursday, Nov. 18, 1-4 p.m.

### ***Centering Well-being***

**(New)** The Centering Mental Well-being training for leaders is a training created to promote awareness; destigmatize mental health to increase understanding; and provide tools, resources, and information to capacitate leaders. Capacity building enables leadership to be more skilled to acknowledge the prevalence of mental health disabilities; provide safety, support, and inclusivity for those persons in the workplace who experience mental health disabilities; to create and implement policies practices and procedures that center well-being from a person-centered lens.

Wednesday, Dec. 8, 9 a.m. - 12:30 p.m.

## **Professional Development**

### ***New Employee Orientation***

Click [New Employee Orientation](#) for more information.

Tuesday, Nov. 9, 10 a.m. - 1:30 p.m. (30-minute lunch break is included)

### ***Reasonable Employment Accommodations***

Get an overview of the reasonable accommodations process for City of Portland job applicants and employees who have disabilities, are pregnant or nursing, and/or observe a religious practice(s). Includes a brief review of the City of Portland's legal and equity commitments,

definitions of covered groups, and a step-by-step look at the accommodations process.  
Friday, Oct. 22, 11 a.m. - 12:15 p.m.

***SAP SuccessFactors hosts the City's new online Performance Review Process for all merit-eligible staff!***

Specifically designed for non-supervisory staff as well as managers and supervisors, to provide participants with an overview of the Fiscal Year process with information on the four phases of the performance review cycle including – Assess, Refine, Grow, and Align.

At the completion of the courses, participants should have a understanding of the following:

- Performance cycle
- Two types of objectives used in this process
- How to conduct a check-in
- How this cycle supports fair and consistent ratings.
