## **Moving Forward**

As we transition past the vaccination mandate deadline of October 18, it's important that everyone has a clear understanding of how the City will ensure safety in the workplace for employees moving forward.

Please see the following requirements for all employees, and the new Citywide accommodations for staff who are not fully vaccinated (received all required doses of a COVID-19 vaccine **and** have completed the 14-day waiting period), have a medical or religious exception, or are unvaccinated sworn police officers exempt under ORS 433.416.

### **Current Safety Citywide Protocols for all employees regardless of vaccine status:**

- Follow all Workplace Health and Safety Guidance protocols.
  - o Wear a face covering at all indoor City worksites. Vaccinated employees can remove masks when able to work in a single office with the door closed.
  - o Wear a face covering in all outdoor settings when social distancing is not

possible.

- o Frequently wash your hands.
  - o Complete the daily [Health Assessment Survey | Portland.gov](#) prior to reporting to a City facility.
  - o Stay home when you're sick.
- Follow any Bureau-specific safety protocols issued by a Bureau Director.
  - Link to guidance at <https://www.portlandoregon.gov/bhr/81288>.

**Citywide requirements** for employees who are not fully vaccinated and have a temporary accommodation during the final 14-day waiting period, have a medical or religious exception, or are unvaccinated sworn police officers exempt under ORS 433.416:

- Wear a **KN95** face covering at all indoor City worksites, at all times of the day or night, regardless of whether you can work in a single office with the door closed or in a City vehicle.
- As soon as the face covering is issued, it must be worn.
- To the extent possible, each person shall take additional precaution by social distancing during break and lunch periods, such as taking staggered breaks and lunches when approved by a supervisor, having one person at a time in a break room, taking breaks outside, etc.
- In all City-owned congregated live/work spaces, unvaccinated employees shall be required to eat in their individual living spaces (in a fire station) or otherwise separated from other employees, such as eating outside.
- **(Update)** All unvaccinated employees who are unable to maintain a 6-foot distance from coworkers and must work in proximity will be provided an N95 mask. This will be for use in situations such as when required to make an emergency repair in a confined space. Please see your manager/supervisor if you cannot maintain a 6-foot distance from coworkers.
- Abide by any other safety precautions as required by each employee's bureau.
- The City's intent is to implement both detection and prevention strategies, which will include testing and become part of the requirements for unvaccinated employees once all protocols are established. We expect to have testing in the coming weeks. The City reserves the right to reconsider, alter, or change any of these requirements and will provide employees with notice of such changes.

If you have concerns that another City employee is failing to comply with these requirements within your workgroup or otherwise, or if you witness any other situation which gives rise to a safety concern, please direct those concerns to your manager, supervisor, even beyond your usual chain of command, or your bureau's assigned [HR Business Partner](#). The City will strictly enforce these requirements, up to and including termination for failure to comply.

Now Available: [Frequently Asked Questions, and Answers, that include work safety information as well as requirements moving forward.](#)

Please be mindful that everyone's situation is unique to them, and that each of us plays a role in how we move forward as the City that works.

## **COVID-19**

### **COVID-19 Leave for Non-Represented, DCTU, PPA-BOEC, PROTEC17 and LiUNA Represented Employees**

On Sept. 20, 2021, the City and non-public safety labor unions signed a letter of agreement (LOA) to bargain impacts of the City's vaccine mandate. Part of this agreement includes additional sick leave of up to 80 hours for qualified COVID-19 related reasons (listed below) between July 1, 2021, and June 30, 2022.

PPA-BOEC signed an LOA on November 2, 2021, providing members with 80 hours COVID-19 sick leave effective July 1, 2021, to June 30, 2022.

Non-represented, as well as DCTU, PROTEC17, LiUNA, PPA-BOEC represented employees must request this leave/time off utilizing your bureau's current process for leave requests. When requesting COVID-19 Emergency Paid Sick Leave through the ESS leave request system, select the leave type "other," and enter **EPSL** (or **EPSM** if used to care for a family member) in the comment section. Requests will be reviewed by your manager/supervisor, like other requests.

Once approved, use **EPSL** (or **EPSM** if used to care for a family member) as the absence type on your timesheet. When you certify your timesheet, you are verifying that the time is only being used for one of the qualifying reasons listed below. No additional forms are required.

If you have taken time off for one of these reasons after July 1, 2021, you will need to submit or modify a corresponding leave request. When approved, work with your bureau timekeeper to update your timesheet retroactively.

Employees can use COVID-19 EPSL/EPSM leave if they are:

1. advised to quarantine related to COVID-19

2. experiencing symptoms of COVID-19 and seeking a medical diagnosis (including, but not limited to, obtaining a COVID-19 test or telehealth visit)
3. providing care for an impacted individual subject to quarantine or experiencing symptoms of COVID-19
  - a. Individual is defined as an immediate family member, roommate, or a similar person with whom the employee has a relationship that creates an expectation that the employee would care for the person in a quarantine or self-quarantine situation, and that individual depends on you for care during the quarantine or self-quarantine.
4. caring for your child whose school or place of care is closed or unavailable due to COVID-19 related reasons
5. taking time off to receive the vaccine (if the time off exceeds the following)
  - b. Employees may use up to two hours of regular, paid time to get a vaccination, whether on or off duty. These hours are recorded as regular paid hours on the timesheet; therefore, time entry is only required for positive pay employees or hours outside of an employee's work schedule.
  - c. For COVID-19 vaccinations that require two doses, each employee may be granted up to two hours paid time off for each dose.
  - d. Employees must submit a time request with the time type "other" and note "vaccine" in the comment section.
6. recovering from adverse side effects of the vaccine (adverse side effects or allergic reactions which require medical treatment may be filed as a workers' comp claim; EPSL and a workers' comp claim cannot be used concurrently for the same dates)

**(New-ish) COVID-19 Vaccinations**

Please submit vaccination questions to [Joel.Michels@portlandoregon.gov](mailto:Joel.Michels@portlandoregon.gov). Answers will be provided in the following week's BHR Bulletin and [a compiled list is posted here](#).

#### **Safety Net Program**

The Safety Net Program offers support options for employees and budget-constrained bureaus, addressing needs brought on by COVID-19. Tools have been created to provide bureau-approved flexible leave options to employees during national- and state-declared emergencies.

Details can be found on the BHR Safety Net page at <https://www.portlandoregon.gov/bhr/81209>.

## **Calendar Year 2022 Washington State Cares Fund Tax**

**(New)** The WA Cares Fund is a new mandatory long-term care insurance benefit for workers in Washington State -- which will help pay for eligible long-term care related expenses. The program will be funded by a mandatory payroll tax for workers in Washington State beginning in January 2022. This program is required by state law and is administered by the State of Washington.

*What does this mean for City employees?*

If you are working remotely in the state of Washington, beginning Jan. 1, 2022, your total wages earned will be taxed \$0.58 per every \$100 of income (0.58%). There is no cap limiting the amount employees can pay in deductions and the amount of the deduction may increase over time.

Your bureau timekeeper will be reporting remote worker information to Central Payroll in December to ensure your payroll deduction is correctly calculated. If you are not working remotely in the state of Washington, or only working part time in the state of Washington, this tax may not apply to you.

Please see this [WA Cares Fund FAQ](#) for further information on this important change coming in the new year.

Contact information for additional questions and answers regarding this new program can be found on the State of Washington's website: <http://www.wacaresfund.wa.gov/>.

## **SuccessFactors Performance Management for Non-Represented Employees**

### **Time to Check-In!**

The Refine phase of our new performance cycle runs from Oct. 1 – Dec. 31.

During this phase, BHR will conduct a mass launch of performance forms for all active employees.

When employees are hired after Oct. 1, the employee's manager can launch their form by following the instructions on the Performance and Development Review web page under the, "07 Create a Performance Form (for a New Employee)" section.

<https://www.portlandoregon.gov/bhr/80673>

The only action you will need to take during this Phase is to:

- a. Conduct the Refine check-in with your manager – review your Service and People objectives and discuss progress to date.
  - [Performance Form 01 Check Ins \[ Employee \] – YouTube](#)
- b. Your manager will need to enter the date you conducted the check-in on the review form to complete this action.
  - [Performance Form 02 Check Ins \[ Manager \] - YouTube](#)

Remember, a good check-in simply ensures that you and your manager are taking a few moments to address four questions.

What we call the 4x4, which includes two questions that look backward and two questions that look forward.

Here's what a 4x4 quarterly check-In should cover:

- 1) How did you do against your service objectives during the last quarter?
  - 2) How did you do against your people objectives during the last quarter?
  - 3) What are your priorities for the next quarter?
  - 4) What training, resources, or coaching do you need to meet those priorities?
- Following each quarterly check-in, you and your manager should record progress, results, comments, as well as note any changes or necessary adjustments to each objective on your Performance form.
  - You can access the SuccessFactors Performance Management platform in CityLearner through [the employee portal](#), or by opening the following CityLearner link in your browser [www.portlandoregon.gov/sf](http://www.portlandoregon.gov/sf) and clicking on "objectives" in the drop-down menu.

If you missed any of the communication or resources leading up to this point, you can access a simple process overview guide [here](#) or check out the dedicated [BHR web page](#), full of useful videos and reference material on our process.
