CALL SECURITY (503)-823-7777

The City's Facilities Services security contractor, G4S, is responsible for the security and safety of city employees, guests, facilities and assets. They will respond, investigate, and coordinate with other agencies, to safely resolve any reported incident.

City employees are encouraged to report emergencies and suspicious behavior. If you witness an incident on City property or feel unsafe please call Security at (503) 823-7777 to report your concern and your location. A security officer will respond, conduct a welfare check and coordinate with other agencies, if needed.

In the event of a life-threatening emergency, dial **9-1-1**.

For security program related questions, contact Dorothy Elmore at Dorothy.Elmore@portlandoregon.gov or call (503) 823-6920.

The City's Facilities Services Division contracts with G4S and partners with Police, the District Attorney's Office, Water Bureau, Parks Bureau and other agencies to achieve a consistent level of protection. G4S is comprised of trained security professionals equipped to provide prompt responses to safety concerns by adhering to the City policy and by following protocols that quickly resolve incidents. G4S recently appointed Jim Poppino to be the new Security Manager. His office is located within City Hall.
