

HELP PLAN THE FUTURE OF THE LOWER ALBINA AND LLOYD DISTRICTS

The City of Portland and Oregon Department of Transportation invite you to attend:

N/NE Quadrant Project Open House

**Wednesday,
June 29, 2011**

4:30–6:30 p.m.

**Metro Regional Center
600 NE Grand
Council Chambers**

Metro is accessible by the #6 bus and blue, green and red MAX lines. Visit www.trimet.org to plan your trip. Street and lot parking available.

The N/NE Quadrant is an area of regional importance that offers potential opportunities for dynamic growth and vibrant neighborhoods. The N/NE Quadrant and I-5 Broadway/Weidler Plans team has developed land use and transportation concept alternatives to illustrate how the area could develop over time. This work will be open to public input and general feedback.

What's going on in Lower Albina and the Lloyd District?

Come join us and provide feedback!

- What type of new development should the plan encourage (residential, employment, entertainment, or a mix)?
- What type of open space amenities best suit the needs of the area?
- How should green infrastructure and natural systems be integrated?
- What type and level of transportation improvements are needed to address connectivity, safety and congestion issues in the quadrant, and specifically in the I-5 Broadway/Weidler Interchange area?

The **N/NE Quadrant and I-5 Broadway/Weidler Plans** (N/NE Quadrant Project) is a collaborative effort by the City of Portland and Oregon Department of Transportation. It is part of Central City 2035, the City of Portland's effort to update the 1988 Central City Plan, providing detailed planning for the Lower Albina and Lloyd District areas. Working jointly with the Oregon Department of Transportation, this project will also explore options for I-5 freeway and local transportation improvements near the Broadway/Weidler Interchange.
