

## **River Plan Greenway Trail Alignment and Design Task Group Meeting**

**Wednesday, February 21, 2007 5:00 pm -- 7:00 pm**

1900 SW Fourth Avenue

Conference Room 4a

---

### **Purpose of the meeting:**

Review greenway trail illustrations and cross-sections produced by our river plan trail consultant Steve Durrant (Alta Planning + Design), and update the group on the staff proposed greenway trail alignment including changes that have been made since August, 2006.

### **Meeting Agenda:**

1. Introductions (5 minutes)
2. Overview of Trail Task Group process (10 minutes)
3. Trail Design and Alignment Discussion
  - Brief orientation to the most recent proposed trail alignment including changes made in response to comments received over the past six months. (10 minutes)
  - Overview and discussion of trail design illustrations and cross sections for 6 trail segments. (30-45 minutes)
  - Discussion of other trail alignment or design issues (30 minutes)
4. Next steps (5 minutes)
