

Native Peoples & Archaeology of the Portland Area & Lower Columbia Region

A Selected Bibliography

This bibliography lists sources on the prehistory, history, culture and archaeology of the Native Peoples of the southern Northwest Coast culture area, with a focus on the Lower Columbia region and the Portland Basin. Also included are selected works on the history and cultures of North American Native Peoples and on archaeology more generally.

Some of the archaeological testing, survey and excavation reports cited herein contain sensitive site location information; public access to these documents may be restricted, in order to protect cultural resources from inappropriate activities and looting. For more information, contact the Archaeological Services Program of the Oregon Department of Parks and Recreation: 503-986-0674, <http://www.oregonheritage.org/OPRD/HCD/ARCH/index.shtml>.
