33.237.010 Purpose
The purpose of the regulations in this chapter is to increase access to affordable, healthful, food for all, especially for those who may have limited options because of location, access, or income. The regulations encourage Community Gardens, Market Gardens, and food membership distribution at a scale that is appropriate to neighborhoods in an urban environment, and support small-scale agricultural use of land that is not otherwise developed. The regulations also recognize that the gardens and food membership organizations can help build a sense of community and offer increased opportunities to garden and to interact with neighbors.

In addition, the regulations ensure that these uses and activities are compatible with the surrounding area by limiting potential negative effects, particularly in residential neighborhoods, and take into consideration neighborhood character, scale, visual impacts, traffic, noise, fumes, local environmental resources, and hours of operation.

33.237.020 Where These Regulations Apply
The regulations of Section 33.237.100 apply to Market Gardens. The regulations of Section 33.237.200 apply to Community Gardens. 33.237.500 Neighbor Notification and Meeting

A. Purpose. The requirements of this section allow neighbors an opportunity to become aware of and comment, in an informal manner, on a proposal before operations begin. By sharing information and concerns, all involved have the opportunity to identify ways to improve a proposal, and to resolve conflicts. While the comments from the neighbors are not binding, a collaborative approach is encouraged.

B. When Neighbor Notification and Meeting is required. Neighbor Notification and Meeting is required as specified in Section 33.237.100 and Table 237-2.

C. Notification.

1. A letter must be sent to the owners of property within 150 feet of the site, to the Neighborhood Association for the area, and to the Planning and Zoning Section of the Land Use Division of the Bureau of Development Services. The letter must be sent by US Mail, FedEx, UPS, or similar service. The letter may not be sent electronically or delivered by hand.

2. The letter must:
   a. Describe the proposal in detail;
   b. Include information on how to contact the person or organization making the proposal;
   c. Show the location of the site on a map, and give the address of the site; and
   d. Invite people to a meeting to discuss the proposal, specifying the date, time, and location of the meeting.

3. The letter must be mailed at least 14 days before the meeting.

4. At least one copy of the letter must be posted on the site.
   a. A copy of the letter must be placed on each street frontage of the site. If a street frontage is over 600 feet long, a notice is required for each 600 feet, or fraction thereof. Notices must be posted within 10 feet of a street lot line and must be visible to pedestrians and motorists. Notices may not be posted in a public right-of-way. Notices are not required along street frontages that are not improved and allow no motor vehicle access.
   b. Letters must be posted at least 14 days before the meeting, and may not be removed before the meeting.

5. A copy of the letter and the mailing list must be retained in the files of the person or organization making the proposal.

D. Meeting. A meeting to discuss the proposal must be held at a location within the boundaries of the neighborhood association that the site is within. The person making the proposal must attend the meeting.

33.237.550 Farmers Markets
The regulations for Farmers Markets are in Chapter 33.296, Temporary Uses, and in Section 33.237.600.
33.237.600 Regulations for Existing Market Gardens, Food Membership Distribution Sites, and Farmers Markets

A. **Purpose.** Before the regulations in this chapter were adopted, the regulations for Market Gardens, Food Membership Distribution Sites, and Farmers Markets were sometimes unclear. To simplify regulations for those uses that existed when the regulations were adopted, those that existed are automatically given status as if they were legally established.

B. **Market Gardens.** Market Gardens that existed on June 1, 2012, are considered to have been legally established. If they do not meet the current regulations, they are nonconforming, and changes to size, operation, or other aspects are regulated by Chapter 33.258, Nonconforming Situations.

C. **Food Membership Distribution Sites.** Food Membership Distribution Sites that were operating at any time between June 1, 2011 and June 1, 2012, are considered to have been legally established. If they do not meet the current regulations, they are nonconforming, and changes to the number of members coming to the site, the number of delivery days per year, size, operation, or other aspects are regulated by Chapter 33.258, Nonconforming Situations.

D. **Farmers Markets.** Farmers Markets that were operating during the month of June, 2012, are considered to have been legally established. If they do not meet the current regulations, they are nonconforming, and changes to size, operation, or other aspects are regulated by Chapter 33.258, Nonconforming Situations.

(Added by Ord. No.185412, effective 6/13/12; Amended by Ord. No. 188177, effective 5/24/18; Ord. No. 188958, effective 5/24/18.)
