Portland Comprehensive Plan Update: Economic Development PEG Preliminary Institutional Land Policy Concepts August 9, 2012

Please review the following Preliminary Draft Policy Concept and Potential Objectives for discussion at the August 15, 2012 Economic Development PEG meeting. If you have comments on these concepts, please submit them to John Cole or Steve Kountz at BPS by August 22, 2012.

Campus institutions – Preliminary Draft Policy Concept:

Provide for the growth of Portland's major campus institutions as essential service providers, centers of innovation, and major employers.

Comment: _____

Potential Objectives

A. Designate major campus institutions as a type of employment land and enhance transportation and public facilities as needed to serve them while minimizing development impacts to surrounding neighborhoods

Or

Improve the campus master planning process to accommodate the changing needs of institutions while reducing development impacts to surrounding neighborhoods.

Comment: _____

Bureau of Planning and Sustainability

Innovation. Collaboration. Practical Solutions.

- B. Encourage transitional development, including mixed-use, along the edges of campus institutions and surrounding neighborhoods, providing opportunities for neighborhood enhancement and campus expansion.

Comment: _____

- C. Encourage expanding institutions to develop satellite facilities in urban centers and corridors to spur economic development and relieve growth pressures in residential neighborhoods.

Comment: _____

- D. Improve ongoing communications between institutions and their surrounding communities as a means of maximizing the role of institutions as an asset to their neighborhood while reducing negative impacts.
