Outcome:	Distributive Justice	Procedural Justice	Procedural Justice	Restorative Justice

People

- Who is positively and negatively affected (by this issue) and how?
- How are people differently situated in terms of the barriers they experience?

Consider Physical, spiritual, emotional, and contextual effects.

Place

- What kind of positive “place” are we creating?
- What kind of negative “place” are we creating?
- How are public resources and investments distributed geographically?

Process

- How are we meaningfully including or excluding people (communities of color) who are affected?
- What policies, processes, and social relationships contribute to the exclusion of communities most affected by inequities?
- Are there empowering processes at every human touchpoint?

Power

- How is responsibility for action distributed?
- What are the barriers to doing equity and racial justice work?
- What are the benefits and burdens that communities experiences with this (issue)?
- Who holds the accountability?
