### General

#### 33.730.010 Purpose

This chapter states the procedures and requirements for quasi-judicial reviews. It contains the step-by-step processing requirements. The chapter also describes the rules of conduct for all people involved in the quasi-judicial review process. The assignment of procedures to specific reviews is done in the chapter that establishes the review. The assignment of the review body is done in Chapter 33.720, Assignment of Review Bodies.

The regulations provide standardized methods for processing quasi-judicial land use reviews. The requirements provide clear and consistent rules to ensure that the legal rights of individual property owners and the public are protected. The rules implement state law, including the requirement that most quasi-judicial reviews must be completed within 120 days of filing a complete application. The Type II, Type IIx, Type III, and Type IV procedures, with their varying levels of review, provide the City with options when assigning procedures to each quasi-judicial review in this Title. The Type I and Type Ix procedures are administrative procedures.

The Type I and Ix procedures, or limited land use review, allows local decisions to be made administratively for such reviews as minor design and historic resource cases. The Type II procedure is the shortest and simplest of the other three quasi-judicial reviews. It is intended for reviews which involve lesser amounts of discretion, lower potential impacts, or both. The Type Iix procedure is used primarily for land divisions. It provides more time to make the administrative decision than the Type II procedure. The Type III procedure is a longer and more in-depth review. It is intended for reviews which involve substantial discretion or high impacts. The Type IV procedure is used to review proposals to demolish certain significant historic resources.

### **Basic Procedures**

#### **33.730.013 Expedited Land Division Procedure**

The Expedited Land Division (ELD) procedure provides an alternative to the standard procedures for some land divisions. The applicant may choose to use the ELD process if the land division request meets all of the elements specified in ORS 197.360. The steps of this procedure are in ORS 197.365 through .375. The application requirements are listed in Section 33.730.060, below. Two additional steps are required for land division requests using the ELD Procedure:

##### **A. Neighborhood contact.**

1. When the ELD includes four to ten lots, the applicant is required to meet the neighborhood contact requirements specified in 33.705.020.A., Neighborhood contact I. If the proposed expedited land division is in an EG or I zone, it is exempt from the neighborhood contact requirements.
2. When the ELD includes eleven or more lots, the applicant is required to meet the neighborhood contact requirements specified in 33.705.020.B., Neighborhood contact II. If the proposed expedited land division is in the EG1, EG2, or an I zone, it is exempt from the neighborhood contact requirements.

- B. Pre-application conference.** A pre-application conference is required for all land division requests processed through the ELD procedure. See 33.730.050, Pre-Application Conference. The pre-application conference must be held before applying for an ELD review.

#### **33.730.014 Type I Procedure**

The Type I procedure is an administrative process with public notice but no hearing.

- A. Pre-application conferences.** A pre-application conference is not required.

##### **B. Neighborhood Contact**

If the proposed development is in the EG1, EG2, or an I zone, or if it has already met the neighborhood contact requirements as part of a building permit process, it is exempt from the neighborhood contact requirements.

2. When the proposed development associated with the land use review will result in the addition of more than 25,000 square feet of net building area to the site, the neighborhood contact steps of 33.725.020.B., Neighborhood contact II, are required. If the proposed development is in the EG1, EG2, or an I zone, or if it has already met the neighborhood contact requirements as part of a building permit process, it is exempt from the neighborhood contact requirements.

Within 17 days of the close of the record, or within 30 days for Comprehensive Plan Map Amendments and land use reviews processed concurrently with Comprehensive Plan Map Amendments, the Hearings Officer or Director of BDS will mail notice of the review body's decision (pending appeal) to the owner, the applicant if different, and all recognized organizations or persons who responded in writing to the notice of the request, testified at the hearing, or requested notice of the decision. In the case of multiple signatures on a letter or petition, the person who submitted the letter or petition or the first signature on the petition will receive the notice. See 33.730.070.G, Notice of Type II, Type IIx or Type III decision (pending appeal).

- G. Ability to appeal.** The review body's decision is final unless appealed. The decision may be appealed by the applicant, the owner, and those who have testified orally or in writing at the hearing, provided that the testimony was directed to a specific approval criterion. The appeal must be submitted to the Director of BDS within 14 days of the day the notice of decision is mailed. The review body for the appeal will be the City Council.
- H. When no appeal is filed.** If no one appeals the decision, the decision is final and effective on the day after the last day to appeal.
- I. When an appeal is filed.** Appeals must comply with this subsection.
1. Content of the appeal. The appeal must be submitted on forms provided by the Director of BDS. All information requested on the form must be submitted in order for the appeal form to be accepted. The appeal request must include:
    - The file number and land use review(s) appealed;
    - The appellant's name, address, signature, phone number, and relationship to the land use action;
    - A statement of which sections of the Zoning Code or which approval criteria the decision violates; and
    - The required fee.
  2. Mailed notice of the appeal hearing. The Director of BDS will mail a copy of the appeal within 3 working days of its receipt to the applicant, unless the applicant is also the appellant, and the owner. Within 5 working days of the receipt of the appeal, the Director of BDS will mail a notice of the appeal hearing to the owner, the applicant if different, the review body, and all persons and recognized organizations that received the notice of the decision. See 33.730.070.H, Notice of a Type II, Type IIx, or Type III appeal hearing. No notice of the appeal hearing is required to be posted on the site.
  3. Scheduling of hearing. The City Auditor will schedule a public hearing to take place at least 21 days from the mailing of the notice of appeal.
  4. Submit report to City Council. The Director of BDS will forward the appeal as filed, the review body's decision report, and a transcript if requested and paid for, to City Council at least 7 days prior to the date of the hearing.
  5. Appeal hearing. Appeal hearings must comply with the provisions of 33.730.100, Public Hearing Requirements, and 33.730.110, Ex Parte Contact. Appeals heard by City

Council may be heard "on the record" and must also conform to any rules of procedure adopted by Council for their use. The Director of BDS will represent the review body in appeals heard by City Council.

6. Appeal decision and findings.
  - a. The City Council may adopt the review body's decision report, modify it, or reject it based on information presented at the hearing and in the record. If City Council modifies or rejects the decision report, an amended report with findings supporting the decision must be prepared as provided in Subparagraph b. below. The report must comply with 33.730.090, Reports and Record Keeping.
  - b. The Council may make a tentative action and direct that proposed findings and a decision be prepared. If the prevailing party is represented by a land use professional or attorney, the prevailing party must provide findings and conclusions to support the Council's decision. If the prevailing party is not represented by a planning professional or attorney, the Director of BDS will provide findings and conclusions to support the Council's decision. Prior to final Council adoption, all findings must be reviewed and approved by the City Attorney. The findings and decision must be adopted by Council vote. An additional public hearing is not required if the vote is at a subsequent public meeting. City Council decisions are in the form of an Order of the Council except when an ordinance is required due to the type of land use request (Comprehensive Plan Map amendments or Statewide Planning Goal exceptions). In these instances, the ordinance serves in lieu of the Order of Council.
7. Notice of the final decision. Within 5 days of final Council action, the City Auditor will mail the notice of final decision to the applicant, owner, and to any recognized organizations or persons who responded in writing to the appeal notice, testified at the hearing, or requested notice of the decision. In the case of multiple signatures on a letter or petition, the person who submitted the letter or petition or the first signature on the petition will receive the notice.   - b. Other review bodies. Other review bodies will make all deliberations and decisions at the hearing.
4. Amended decision report. If the review body modifies or rejects the Director of BDS's report, an amended report with findings supporting the decision will be prepared. For review bodies other than the Hearings Officer, the Director of BDS will prepare the amended decision report and mail notice of the decision within 17 days of the close of the record. The report must comply with 33.730.090, Reports and Record Keeping.

#### **33.730.040 Final Council Action Required**

In the case of certain quasi-judicial land use reviews, such as Comprehensive Plan Map amendments and Statewide Planning Goal exceptions, final City Council action is required in addition to the normal Type III procedure. In these cases, the initial processing of the land use review is the same except the decision of the initial review body becomes a recommendation to Council. The post-acknowledgment procedures required by ORS 197.610 through 197.650 are followed, and the case is scheduled for a public hearing before City Council. The 120-day review period required by ORS 227.178(1) does not apply to Comprehensive Plan Map amendments, including Statewide Planning Goal Exceptions, or to land use reviews processed concurrently with Comprehensive Plan Map amendments.

### **General Information on Procedures**

#### **33.730.042 Concurrent Reviews**

The following regulations apply to applications for more than one land use review on a site:

- A. Applications for more than one land use review on a site may be consolidated into a single application package;
- B. When more than one review is requested and the reviews have different procedures, the overall application is processed using the highest procedure type. A Type III procedure is the highest, followed by Type IIx, Type II, Type Ix and then Type I;
- C. When three or more different kinds of land use reviews are requested, and at least three of the land use reviews are assigned to a Type II procedure, the overall application is processed using the Type IIx procedure, unless any of the reviews are assigned to a Type III procedure. If any of the reviews are assigned to a Type III procedure the overall application is processed using the Type III procedure.

- D. When more than one review is requested and any of the reviews are assigned to a Type IV procedure, the reviews not subject to the Type IV procedure are reviewed as specified in Subsections B and C. The review subject to the Type IV procedure is reviewed under the provisions of 33.730.031.
- E. When a land division proposal requires an adjustment, the adjustment must be processed concurrently with the land division.

### 33.730.050 Pre-Application Conference

- A. **Purpose.** The pre-application conference informs the applicant of the substantive and procedural requirements of this Title, provides for an exchange of information regarding applicable requirements of other City Codes, and identifies policies and regulations that create opportunities or pose significant problems for a proposal. Technical and design assistance is available at the conference which will aid in the development of an application. The pre-application conference also informs recognized organizations about the proposal and promotes communication between the organizations and the applicant.
- B. **Requirements.** Forms for pre-application conferences are available from the Director of BDS. A fee is required and must be paid at the time the request for a pre-application conference is submitted. The applicant must submit a written proposal or sketched site plan of the proposal. A pre-application conference must be held within 42 days of receipt of a completed request form.
- C. **Participants.** The applicant meets with BDS staff at the pre-application conference. In addition, City urban service or technical representatives and representatives of affected recognized organizations are invited to attend.
- D. **Pre-application conference recommendations.** The BDS staff will mail the applicant a written summary of the pre-application conference within 21 days of the conference. The written summary will include suggestions and information that were raised at the conference for inclusion in an application. If the approval criteria for the land use review involve a determination of adequacy of the transportation system, the Office of Transportation may require a Transportation Impact Study to be submitted with the land use application.
- E. **Pre-application conference prior to application submittal.** Application for a land use review may not be submitted before the required pre-application conference is held. This allows information obtained at the conference to be incorporated in the application submittal.
- F. **Other pre-application advice.** An applicant may request advice from the Design Commission or Historical Landmarks Commission prior to submitting a land use request that would be heard by these commissions. These requests are known as "design advice requests". These requests do not substitute for a required pre-application conference with the BDS staff and other City urban service or technical representatives. A fee is charged for design advice requests as stated in the Fee Schedule.
- G. **Time limit.** A pre-application conference is valid for two years. If more than two years have elapsed between the date of the pre-application conference and the date the land use review application is submitted, a new pre-application conference is required.

### **33.730.060 Application Requirements**
