Legislative actions provide for the establishment and modification of land use plans, policies, regulations, and guidelines. The legislative procedure includes a public hearing by a designated commission. The hearings provide opportunities for public comment and input on actions which may affect large areas of the City.

33.740.020 Commission Review (Amended by Ord. No. 170704, effective 1/1/97.)

Notice must also be published in a recognized newspaper.

   2. Notice time frame. The notice must be provided at least 35 days prior to the first public hearing.

   3. Notice content.       b. Undetermined time and place. If a subsequent hearing has not been scheduled at the time of a previous hearing, as provided in Subparagraph a. above, then notice of the subsequent hearing must be mailed to all persons who responded...
to the matter in writing, testified at the previous hearing, or have requested such notice. The notice must be mailed at least 14 days before the hearing.

C. **Report.** The Planning and Sustainability Director will prepare a report that includes an evaluation of applicable facts, Comprehensive Plan goals and policies, codes, plans, and any other policies or guidelines, responses, and comments received. D. **Additional information.** A Commission has the authority to request, receive, and examine additional information.

E. **Commission recommendation and decision.**
