About this Document

On July 22, 2014, The Bureau of Planning and Sustainability published a Proposed Draft of the 2035 Comprehensive Plan. The Planning and Sustainability Commission (PSC) held five public hearings: September 23, 2014; October 14, 2014; October 28, 2014; November 4, 2014; and February 24, 2015. The PSC accepted written testimony through March 13, 2015. Testimony took the form of emails, letters, online comments collected through a Map App, and oral testimony in public hearings, and. Over 4,000 individual comments were collected. The PSC's Recommended Draft is now being considered by City Council.
