

## **I. CENTRAL CITY - Proposed Bonuses and Transfers**

### **A. Priority given to Affordable Housing Bonus**

1. Maximum 3:1 bonus FAR available on most sites.
2. First 2:1 of bonus FAR must be earned through the affordable housing bonus.
3. The last 1:1 of bonus can be earned through other bonuses or transfers (\* w/ few exceptions).

### **B. FAR Bonuses**

1. Affordable housing bonus:
  - a. Units affordable @ 80% MFI for 60 years
  - b. Built on site or pay into an affordable housing fund.
2. Riverfront Open space bonus
  - a. For additional public accessible setback from the required river setback.
  - b. ONLY available to riverfront properties.
  - c. 1 sq. ft. of open space earns 3 sq. ft. of FAR.
3. Existing South Waterfront open space and greenway bonuses

### **C. FAR transfers:**

1. Historic preservation: Landmarks and contributing resources that are seismically reinforced can transfer FAR.
2. Transfer w/in a project: Continue to allow FAR transfers within a project site.
3. Transfer w/in a sub-district: Allow unlimited transfer of FAR within a sub-district after use of the Affordable housing bonus and/or historic transfer.
4. Minimum FARs: Create minimum FARs to make sure FAR donating sites are not left w/ no development potential.

### **D. Exceptions to Affordable Housing bonus first rule:**

1. FAR transfer based on a covenant prior to new code effective date.
2. FAR transfer from historic resources in the Skidmore/Old Town historic district or the New Chinatown/Japantown historic district.
3. Riverfront Open Space bonus.
4. Continuation of existing rules in South Waterfront.
5. West End: first 3:1 of bonus must be via Affordable Housing Bonus.

## II. MIXED-USE ZONES: Proposed Bonuses
