### **33.846.080 Demolition Review**

**A. Purpose.** Demolition review protects resources that have been individually listed in the National Register of Historic Places or are identified as contributing to the historic significance of a Historic District ~~or a Conservation District~~. It also protects Historic Landmarks and Conservation Landmarks that have taken advantage of an incentive for historic preservation and historic resources that have a preservation agreement. Demolition review recognizes that historic resources are irreplaceable assets that preserve our heritage, beautify the city, enhance civic identity, and promote economic vitality.
